### Student Speaks, Alumni Speaks & Recruiter Speaks:

The ICFAI University Tripura gives me the proper environment to explore the qualities that I have within me and also provides me the necessities that help me to groom myself for a flourishing career.

#### Subhrajit Das, B.Tech 3rd year (Civil)

Just like any other engineering aspirant, it was my dream to study in a college that will not only give in depth knowledge but also provide a solid platform on which we can build our career. ICFAI with its apt course curriculum and dedicated faculty & fine infrastructure, works in the right direction.

#### Rabjit Debnath, Reserve Bank of India

The ICFAI University Tripura, is one of the leading educational institutions in India in terms of its curriculum & teaching methodology. The faculties of the university are experienced, committed & having excellent knowledge and skills that contributes to the delivery of quality education to the students, and prepare them to the needs of the industry.

#### Mr. Swarnadeep Saha, (Operations) - SBI Life

We are pleased to confirm that in the past we have recruited several number of candidates from your University in Mechanical and Civil Streams and their work and conducts have been found by us to be very satisfactory. We expect to recruit further number of civil and Mechanical Engineers passed out from your University in this year as well.
