#### Circular

Date: 28.07.2023

All the B.Sc and M.Sc Chemistry students are hereby informed that Department of Chemistry, ICFAI Science School, The ICFAI University Tripura will observe 'Birthday Celebration of Acharya Prafulla Chandra Ray' on 02.08.2023 at Room no. 120, IUT Campus. On this occasion, Dr. Satyajit Mondal and Dr. Tufan Singha Mahapatra, Assistant Professors, Department of Chemistry, The ICFAI University Tripura will deliver two presentations on the topics "Acharya Sir P. C. Ray's Impact on Indian Society and His Pioneering Chemical Research" and "The Legacy of Acharya Sir P. C. Ray: Contributions to Society and Advancements in Chemical Science", respectively. All students are invited to attend the event and derive benefit from the same on 02.08.2023 from 10.15 am noon onwards.

Dr. Swarnali Nath Choudhury ripura.

### A Report on Birthday Celebration of Acharya Prafulla Chandra Ray-2023

Date: 2<sup>nd</sup> August 2023

Venue: Room No. 120, The ICFAI University Tripura, Kamalghat, West Tripura

Organized by: Department of Chemistry, ICFAI Science School

#### Introduction:

Acharya Prafulla Chandra Ray, born on August 2, 1861, was a renowned chemist, historian, educator, industrialist, and philanthropist. Often regarded as the father of chemical science in India, Ray established the first modern Indian research school in chemistry. To honor his immense contributions, the Department of Chemistry at The ICFAI University Tripura celebrated his birthday on 2nd August 2023.

#### **Objectives:**

- To highlight the legacy and contributions of Acharya Prafulla Chandra Ray to society.
- To raise awareness about the significance of ancient chemistry and its enduring importance.

CEAL OF A STATE OF A S

Department of Chemistry
ICFAI Science School
The ICFAI University, Tripura.

The Department of Chemistry celebrated the birthday of Acharya Prafulla Chandra Ray on 2nd August 2023. The event began with a Welcome Address delivered by Prof. Dr. Swarnali Nath Choudhury, Head, Dept. of Chemistry, The ICFAI University Tripura.

Dr. Satyajit Mondal, Assistant Professor in the Department of Chemistry, then delivered a lecture on "Acharya Sir P. C. Ray's Impact on Indian Society and His Pioneering Chemical Research." Dr. Mondal highlighted how Prafulla Chandra Ray recognized the importance of industrialization for India's progress, particularly in the pharmaceutical sector. At that time, even basic medicines for Indian patients had to be imported. Driven by a vision for self-reliance, Ray began preparing chemicals at home despite his modest financial means. His initiative quickly expanded, necessitating the establishment of a formal company, which he founded as 'The Bengal Chemical and Pharmaceutical Works' with an initial capital of just eight hundred rupees—a sum that was difficult to raise.

Despite these challenges, Ray persevered, and with the support of friends like Dr. Amulya Charan Bose, a prominent medical practitioner, the company began producing chemicals that gradually gained acceptance in the market. Dr. Bose, along with other doctors, endorsed the use of products from this new Indian firm, helping it to grow. Many chemistry graduates joined the factory, contributing to its success and reputation.

In addition to his industrial achievements, Ray was deeply involved in social causes. He organized the Bengal Relief Committee in 1923 following devastating floods and made significant contributions to institutions such as the Sadharan Brahmo Samaj, Indian Chemical Society, and Brahmo Girls' School. His philanthropy extended to the establishment of the Nagarjuna Prize in 1922, awarded for excellence in chemistry, and in 1937, he funded another award in memory of Ashutosh Mukherjee for outstanding work in zoology or botany.

Following this, Dr. Tufan Singha Mahapatra, Assistant Professor in the Department of Chemistry at The ICFAI University Tripura, delivered a lecture on the "The Legacy of Acharya Sir P. C. Ray: Contributions to Society and Advancements in Chemical Science." In 1896, Ray made the significant discovery of mercurous nitrite, a stable compound that opened up extensive research avenues in the fields of metal nitrites, hyponitrites, ammonia nitrites, and organic amines. He

Depisyment memistry
ICF A Science School
The ICF Al University, Tripura.

also demonstrated the stability of pure ammonium nitrite through a series of experiments, showing that it could be sublimed at 60°C without decomposition.

In recognition of his contributions to science, Ray was appointed as the General President of the Indian Science Congress in 1920. Furthermore, in 2011, on his 150th birth anniversary, the Royal Society of Chemistry honored Ray with the prestigious Chemical Landmark plaque, making him the first non-European to receive this distinction.

Prof. Swarnali Nath Choudhury, Head, Dept. of Chemistry, Faculty of Science & Technology, The ICFAI University Tripura delivered the vote of thanks.

#### Out Come:

Ray firmly believed in the principle that "industry, as a rule, precedes science," and he was acutely aware of the profound impact that establishing a factory would have on India's knowledge base and industrial capabilities. During the early 1900s, almost all prominent revolutionaries had some connection with either Ray or Bengal Chemicals. For the cause of Independence, Ray even assisted those involved in armed resistance by providing them with essential chemicals like acids for bomb-making.

The onset of the Second World War brought new opportunities for Ray and Bengal Chemicals. There was an urgent demand for essential drugs for soldiers, which led to the establishment of a new plant and pharmacy at Panihati. In 1938, a factory was opened in Bombay, and two production units were later relocated to Lahore in 1942 to meet the growing demand.

Recently, Bengal Chemicals gained renewed attention when Hydroxychloroquine (HCQ), an anti-malarial drug produced by the company, was highlighted as a potential treatment during the COVID-19 pandemic, bringing the company back into the spotlight.

#### Conclusion:

Prafulla Chandra's contributions to Indian industry extended far beyond his own ventures. He played a pivotal role, directly or indirectly, in the establishment of numerous factories, including textile mills, soap factories, sugar mills, chemical industries, ceramic factories, and publishing

Dept. Con Control Science Scie

houses. Despite his limited direct involvement in the nationalist movement, due to his position as a professor at Calcutta's Presidency College, Ray understood that India's economic progress was inseparable from its political independence. Consequently, he expressed support for various political movements, whether moderate, extremist, or aligned with non-cooperation. His admiration for both Mahatma Gandhi and Subhas Chandra Bose is well documented in his writings.

As a committed nationalist, Ray aspired to see Bengalis excel in the business world. He set a powerful example by founding Bengal Chemical and Pharmaceutical Works Pvt Ltd in 1901 in Kolkata, which remains India's only public-sector manufacturer of anti-malarial drugs.

#### A Report on Teacher's Day Celebration - 2023

Date: 5th September 2023

Venue: The ICFAI University Tripura, Kamalghat, West Tripura Organized by: Department of Chemistry, ICFAI Science School

#### Introduction

Teacher's Day, observed on the 5th of September, is a day dedicated to celebrating the immense contribution of teachers in shaping the lives of students and, by extension, society at large. This date marks the birthday of Dr. Sarvepalli Radhakrishnan, India's former President, who was a renowned scholar and a devoted teacher. The day serves as a reminder of the pivotal role that teachers play in nurturing and guiding young minds towards a brighter future.

#### **Objectives**

The celebration of Teacher's Day aimed to:

- Acknowledge the significant role of teachers in providing quality education.
- Highlight the need to improve the status and working conditions of teachers worldwide.

#### Activities:

Si No.	Name of the Activity	Date	Time	No. of Participants

ICFAI Science School
The ICFAI University, Tripura.

The Teacher's Day celebration at the ICFAI University Tripura was marked by a series of engaging activities. During the seminar, several faculty members shared their thoughts and experiences about the importance of education and the role of teachers. These speeches provided valuable insights into the educational journey and inspired both students and fellow educators.

#### Speeches Delivered by Teachers:

- Prof. Dr. Swarnali Nath Choudhury, Head of the Department of Chemistry, highlighted the role of teachers in fostering a love for learning and the importance of nurturing curiosity in students.
- Dr. Satyajit Mondal, Assistant Professor in the Department of Chemistry, discussed the
  evolving landscape of education and the need for teachers to adapt to new teaching
  methodologies.
- Dr. Ganesh Chandra Paul, Assistant Professor in the Department of Chemistry, shared their personal teaching experiences and the impact of teacher-student relationships on academic and personal growth.

Students also organized various performances, including dances, songs, and poetry recitals, specifically for the enjoyment and appreciation of their teachers. Additionally, students expressed their gratitude through cards, poems, and artwork, showcasing their respect and admiration for their mentors.

#### Outcomes

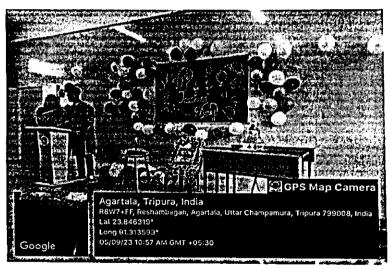

The celebration reinforced the bond between students and teachers, emphasizing mutual respect and gratitude. The speeches by the faculty members were particularly impactful, as they highlighted the dedication and passion that teachers bring to their profession. Teachers, who dedicate their lives to the growth and development of their students, were acknowledged for their tireless efforts. The event provided a platform for students to express their gratitude and for teachers to witness the impact of their hard work on their students' lives.

#### Conclusion

Teacher's Day at the Department of Chemistry, The ICFAI University Tripura was a testament to the significant role teachers play in the educational journey and personal development of students. This celebration was a reminder of the invaluable contributions of teachers in shaping the future generation. It was also an opportunity to reflect on the importance of education and the respect that educators deserve for their dedication to nurturing young minds. The event concluded with a renewed sense of appreciation for teachers and their pivotal role in society.

## A Report on Celebration of National Science Day 2024

Date: 28th February, 2024

Venue: The ICFAI University Tripura, Kamalghat, West Tripura

Organized by: Faculty of Science and Technology, ICFAI University Tripura in association with Indian Association of Physics Teachers RC-18.

#### Introduction:

Like every year, ICFAI University Tripura has arranged for Celebration of National Science Day in association with Indian Association of Physics Teachers RC-18 commemorating the theme for this year "Indigenous Technology for Viksit Bharat" on 28<sup>th</sup> February, 2024. National science day have been celebrated since 1987 in India remarking the invention of Raman Effect to promote science and technology in society. ICFAI University, Tripura is also taking active participation in this agenda since its establishment and this day is celebrated by means of various science related activities and competitions involving young minds.

#### Details of the Program:-

Inaugural session of National Science Day celebration was started by welcoming the Guest of Honor Mr. Ranjit Kumar Debnath, Former Director of School Education; Chief Guest Prof. Pramode Ranjan Bhattacharjee, Retd. Professor and Principle of Kabi Nazrul College, Sonamora; and guest of honor Prof. Anirban Guha, Professor of Department of Physics, Tripura University. Guests were felicitated by offering uttariya, flower bouquet etc. as a token of respect and warmth.

HOD, Physics Depl.,

Next, lighting the lamp ceremony took place symbolizing seeding knowledge in one's mind. Prof. Dr. Biplab Halder (Vice-Chancellor, ICFAI University Tripura), Ranjit kumar Debnath, Prof. Pramode Ranjan Bhattacharjee, Prof. Anirban Guha, Dr. A. Ranganath (Registrar, ICFAI University Tripura) & Prof. Priyangshu Rana Borthakur (Dean, FST, ICFAI University Tripura), took part in this sacred ceremony. Vice-Chancellor of ICFAI University Tripura, Prof. Dr. Biplab Halder welcomed all the participants and guests and then delivered a highly motivational speech mentioning the history of science day and its importance.

Next speaker was our guest of Honor Ranjit Kumar Debnath. He emphasized on trying again and again until we get success in whatever we are trying to achieve. He motivated the students saying that the word FAIL stands for "First Attempt In Learning". He also added that students should not worry even if they fail in their first attempt. According to him, what's important is enjoying what we do.

The next speech was delivered by Prof. Anirban Guha, Department of Physics, TU. He said that it is the mindset of the worker which plays a significant role in any work. He expressed desire for collaboration work with IUT Faculties and extended a welcoming hand to the IUT students for visiting their research laboratories. He asked the students to maintain scientific temperament which will lead us to have a very developed society.

The next speaker was Prof. Pramode Ranjan Bhattacharjee. The title of this talk was "Discovery of Ambiquity in the Traditional Norms of Specifying Physical Quantities along the Axes of Coordinates in Drawing Data Based Graphs". In his talk, he has explained about the various anomalies in basic physics which are often ignored in various text books. He discussed about his various research publications in reputed research journals highlighting the discoveries made by him in removing the ambiguous statements found in various basic physics text books.

Two consecutive talks were delivered by Dr. Sovan Ghosh, Associate Professor & HOD Physics; and Dr. Palas Mandal, Assistant Professor, Dept. of Mathematics. Dr. Ghosh has delivered a talk on "A History Traced by Cosmology" and Dr. Palas Mandal has delivered a talk on "Metamaterials Concept for Mitigation of Earthquake Disaster"

HOD, Physics Dept.; a.

On spot registrations were done by respective Conveners of the events. Students from nearby schools and colleges were invited and participated in various competitive events held throughout the day. The participants were given refreshments as the event hours were long.

Outcome: During this program, several competitions were held in which students from various schools have participated. The details of the various events conducted are given below:-

SI. No.	Name of the Activity	No. of
		Participants
	Sit & Draw Competition	20
	Model Competition	
	Poster competition	16
	<del></del>	10
	Quiz Competition	28

#### Conclusion:

National Science Day strives to ignite a continuous spark of curiosity and enthusiasm for science within the student community, ultimately contributing to a future driven by scientific

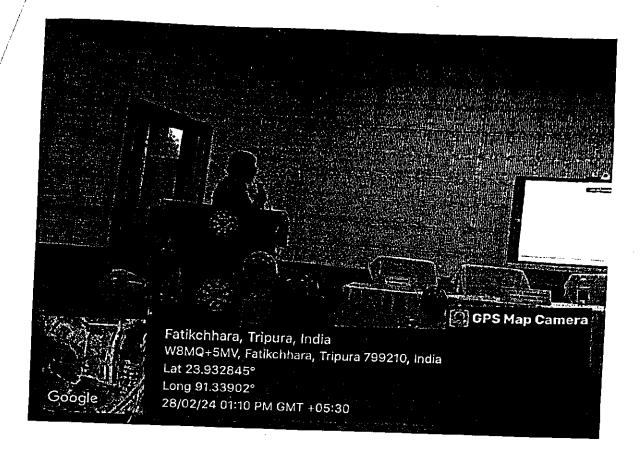

HOD, Physics Dept., ICFAI University Tripura. advancements. During the National Science Day program, all the dignitaries have emphasized in developing scientific temperament for the growth of the society and advised students to develop not to give up attitude to get success in life. As a part of celebration of the day various competitions like Science Model, Quiz, Poster Making, PPT presentation, Sit & Draw, Best out of Waste etc were carried out amongst students from different schools and University. The program ended with prize distribution among the best three winners of each competition. The Umakanta Academy School, Sishu Bihar School and Sri Rabi Shankar Vidyamandir respectively have won the science model competition in school level and Bhavan's & ICFAI at University level. The Sit & Draw competition was won by Jahar Nabodaya Vidyalaya, Mohanpur in school level and the ICFAI in University level. Poster competitions won by Bhavan's and ICFAI. Quiz competitions won by Jaha Naboday Vidyalaya, Agartala and Umakanta Academy in school level and ICFAI in University level. The students of ICFAI University Tripura have also won all three prizes for Best Out of Waste and PPT presentation.

he ICFAI University, Tripura was established in 2004 through an Act of State Legislature (Tripura Act 8 of 2004). The University has been approved by the University Grants Commission, under Section 2(f) of the UGC Act, 1956. The University has been approved by the University Grants Commission, under Section 2(f) of the UGC Act, 1956. The ICFAI University, Tripura is a member of the Association of Commonwealth Universities (ACU), London, UK, Association of Indian Universities (AIU), New Delhi, India, The Institution of Engineers (India) and Association of Management Development Institutions in South Asia (AMDISA), Hyderabad. The University is accredited by the Bar Council of India (BCI), National Council of Teachers Education (NCTE), Distance Education Bureau (DEB) and NAAC.

The University offers Bachelor, Master, and Doctoral programs in management, finance, science and technology, information technology, education, law, and other areas and being widely recognized as an institution devoted to quality research and teaching. The University gives utmost importance to the Industry-University interface.

### About the Faculty of Science & Technology (FST)

Faculty of Science & Technology (FST), a constituent unit of the ICFAI University, Tripura (IUT). FST is committed to providing quality education in the field of science and technology. It helps the students develop professional competence through their exposure to labs and workshops and industry exposure through internships/projects in the industry with the objective of promoting new areas of Science & Technology and to play the role of a nodal department for organizing, coordinating, and promoting S&T activities in the country.

#### **About the Department of Physics**

The Department of Physics was established as a separate department under ICFAI Science School in August of 2018, it has never looked back. Department currently consists of highly qualified faculty members who have been actively involved in cutting-edge research in various emerging fields, and in developing state of art technologies. Presently we are offering Bachelors (B.Sc-Honors), Masters (M.Sc), and Doctorate (Ph.D.) courses. Students have been encouraged to join various esteemed institutions for their internship projects. The Department of Physics envisages itself becoming a Center of Excellence in the near future under the hood of ICFAI University Tripura.

#### About World Quantum Day and the Event

World Quantum Day (WQD) is an international event celebrated on April 14 every year. It aims at promoting the public awareness and understanding of quantum science and quantum technology around the world. World Quantum Day started on 14th April 2021 as an initiative by an international group of scientists. The initiative was joined by engineers, educators, science communicators, organizations and others to celebrate the first World Quantum day on 14 April 2022. April 14 was chosen because "4.14" represents the rounded first 3 digits of Planck's constant: 4.14×10-15 eV-s. Department of Physics, ICFAI University, Tripura started to celebrate the event from 2023 with a series of three lectures. This year the same has been planned in an extended and more impactful form with a prime focus on the recent developments in Quantum Computation.

There is NO registration fee for participation.

# WORLD QUANTUM DAY 2024

Date: 10th April & 12th April, 2024

Organised by The Department of Physics Faculty of Science & Technology The ICFAI University, Tripura

in association with

INDIAN ASSOCIATION OF PHYSICS TEACHERS (IAPT) **RC-18** 

INVITED SPEAKERS

HOD, Physics Dept. L. Usha Devi A R
HOD, University Bangalore University, Bangalore

Dr. Antariksha Das

Postdoctoral Researcher (Quantum Internet Alliance), ICFO - The Institute of Photonic Sciences, Spain

Dr. Satadal Bhattacharya Professor, Department of Physics. Scottish Church College, Kolkata

CHAIR

Prof. (Dr.) Biplab Halder Vice Chancellor, The ICFAI University, Tripura

World Quantum Day 2024
Date: 10th April and 12th April, 2024
Organized by The Department of Physics Faculty of Science & Technology The ICFAI University, Tripura

association with Indian Association of Physics Teachers (IAPT)

	RC-18
	Day 1 : April 10, 2024 Venue : Ground Floor Auditorium, IUT
10:00 am - 10:05 am	Introductory speech by <b>Dr. Sovan Ghosh</b> , Convener, World Quantum Day 2024 and Head, Department of Physics, IUT
10.05 am - 10.10 am	Lighting the Lamp
10.10 am – 10.15 am	Unveiling the Newsletter of Physics Department "Reflections 2023-24"
10.15 am - 10.25 am	Welcome address by Prof. (Dr.) A. Ranganath, Registrar, ICFAI University Tripura and President, IAPT RC-18
10.25 am - 10.35 am	Keynote Speech "Importance of World Quantum Day" by Prof. (Dr.) Priyangshu Rana Borthakur, Dean, FST, ICFAI University Tripura
10.35 am - 10.45 am	Vote of Thanks by Dr. Camelia Das, Assistant Professor, Department of Physics, ICFAI University Tripura
11 am - 12 noon	A Tale of Quantum Computation by Dr. Usha Devi A R, Professor, Department of Physics, Bangalore University, Bangalore
12.15 - 12.45 pm	Public Quiz on "Quantum Mechanics"
1.45 pm - 3.15 pm	Oral Presentation (Venue: Room No. 24A, Academic Building)
3.15 pm - 5.30 pm	Poster Presentation (Venue: M. Sc Physics Lab)

HOD, Physics Dept., ICFAI University Tripura.

	Day 2 : April 12, 2024 Venue : Ground Floor Auditorium, IUT
9.30 am - 10.30 am	Distributing Entanglement: From the Lab to the Field by Dr. Antariksha Das, Post Doctoral Researcher, ICFO, Barcelona, Spain
10.30 am - 11.30 am	Correspondence Principle Revisited by Dr. Satadal Bhattacharyya, Professor, Department of Physics, Scottish Church College, Kolkata
11.30 am - 12.30 pm	Applications of Quantum in Daily Life
1.00 pm	Valedictory Session

HOD Physics Dept., a.

### **World Quantum Day 2024**

Date: 10th & 12th April, 2024

Academic Year: 2023-24

Introduction: Since 2022, the date 14<sup>th</sup> April is celebrated across the World as World Quantum Day.

Objective: This is the 2<sup>nd</sup> time World Quantum Day was celebrated in the Department of Physics, ICFAI University Tripura. 10<sup>th</sup> and 12<sup>th</sup> April 2024 Department of Physics, ICFAI University Tripura organized the event in a hybrid mode. The program was organized in collaboration with Indian Association of Physics Teachers RC-18.

Outcome: The program began with the smokeless lamp-lighting (lamps glow as they are placed in water without consuming extra electricity), which is standardized by the department to cut pollution.

The new issue of the 'Reflections', the newsletter that showcases the quality, achievements and talents of the students and the faculty members of the department, was opened for all by Prof.(Dr.) A Ranganath, the Registrar, ICFAI University Tripura and President, IAPT RC-18. When he informed the gathering regarding the revolutionary impact of Quantum Science, Prof.(Dr.) Priyangshu Rana Borthakur informed the budding Physicists of the Quantum Mission of India and the endeavours and approaches of ICFAI University Tripura to take part in it.

The inaugural program came to an end with the Vote of thanks by Dr. Camelia Das.

The opening talk was delivered in online mode by Prof. Usha Devi A R, Professor of the Department of Physics, Bangalore University on 'A Tale of Quantum Computation' that took the audience from basics to the depth of the theory of Quantum Computation. She just took the audience in a very nice flow to enrich the knowledge.

HOD, Physics Dent.,

The celebration continued with a Public Quiz on Quantum Mechanics and corresponding things. The audience enjoyed it a lot with quiz-master Dr. Arunabha Saha.

Post-lunch sessions were divided into two parts: Oral and Poster Presentations by M.Sc students. The students presented their research works. Eight oral and 25 posters were presented. Later the posters were highly praised by the invited guests and faculty members of different departments.

The 2<sup>nd</sup> day of the WQD celebration was 12<sup>th</sup> April, 2024. The day started with an online talk by Dr. Antariksha Das from ICFO, Bercelona, Spain on 'Distributing Entanglement: From Lab to the Field'. How the world can advance with corresponding experiments – a glimpse of it enthralled the entire fraternity present there.

The final talk of the Program was delivered by Dr. Satadal Bhattacharyya of the Scottish Church College on Correspondence Principle which also marked the celebration of the centenary of Correspondence Principle. The eminent speaker took the stage to showcase how the Correspondence Principle is applied from classroom to advanced application.

Dr. Swapan Majumder, Secretary of IAPT RC-18 praised highly the organization of such program in the concluding session.

Winners of the oral and poster competitions were awarded. Department of Physics also awarded the previous semester's toppers of all five batches of B.Sc and M.Sc.

The program ended with thanks from the convener Dr. Sovan Ghosh, Head, Department of Physics, ICFAI University Tripura.

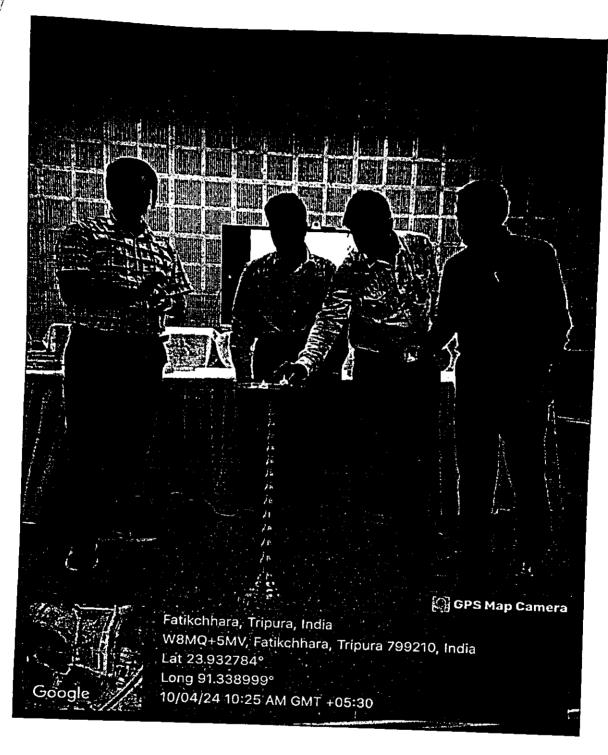

WQD-24 perturbed the regular classroom teaching-learning to promise of a new dream for a fresh dawn.

### A REPORT ON CULTURAL EVENT ON "6TH FOUNDATION DAY OF FLA" ORGANIZED BY THE FACULTY OF LIBERAL ARTS

DATE- 08/08/2023 TIME- 02:30 P.M - 4:00.PM VENUE- Ground Floor Auditorium, Academic Block

#### INTRODUCTION:

The Faculty of Liberal Arts was established as an individual department on August 8th, 2017 in order to provide quality education through BA and MA courses in English literature. With the course of time the department evolves dynamically and introduces courses in Psychology and PhD. This year's same date also marks a solemn occasion of Rabindranath Tagore's 82nd death anniversary. Thus, on August 8, 2023, Faculty of Liberal Arts conducted a special cultural event in order to show tribute to departed soul of Kabiguru Rabindranath Tagore and celebrate 6<sup>th</sup> Foundation day of the department. The cultural program was organised by the existing students of FLA and was eagerly attended by faculty members, around 60 students from B.A., M. A. in English and Psychology first year. The event was graced by the presence of respected Dean of Academic Affairs and Registrar of ICFAI University Tripura.

#### **OBJECTIVE OF THE PROGRAM:**

- To celebrate 6<sup>a</sup> Foundation day of the department
- To show respect towards departed soul of Kabiguru Rabindranath Tagore on his 82nd death anniversary
- Through this cultural event, new batch of students were introduced to cultural environment of the department
- To motivate students in participating on extra-curriculum activities related to special occasion in future
- To find valuable insights from the notes shared by ex faculty and students about their program and career approaches

#### NO OF PARTICIPANTS:

15 students have participated in the cultural event from different batches of Faculty of Liberal Arts. Besides, around 60 students of 1" year program have attended the event.

### CHEDULE OF THE PROGRAM:

SI No.	Time	Name and Department	Items
1	2.30- 2.35PM	Registrar- Dr. A. Ranganath	Lightening of the Lamp
		Dean of Academic Affairs- Dr. Subhasish Chatterjee	
		<sup>4</sup> Principal FLA- Prof. Mousumi Biswas	
2	2.35-2.40 PM	Principal Fl.A- Prof. Mousumi Biswas	Welcome Address
3	2.40-2.45 PM	Students from FLA	Group Song (Alo Amar Alo Ogo)
4	i O Min	Ex -Students	Special Note for FLA
ξ.	2.55-3.00 PM	Dean of Academic Affairs- Dr. Subhasish Chatterjee	Speech
()	3 00-3 05 PM	Sayantika Dey BA English 3 <sup>rd</sup> Year	Solo Rabindra-Classical Dance (Madhuro Dhwani Baje)
-	3 10PM	Registrar- Dr. A. Ranganath	Speech
×	330-335 PM	Rabindranath Tagore	Documentary by Satyajit Ray
4	3 15-3 20 PM	Sucharita Bhattacharya MA Psychology 2 Year	Solo song (Majhe Majhe Tobo Dekha Pai)
$\mathbf{G}$	10 Min	Ex-haculties (1)	Special Note for FLA
11	3 30-3 35 PM	Suari and Group BA English? 'Year	Kokborok dance performance
12	3 40PM	Habrita Bhattacharjee BA English	Recitation (Potichoy)
13	3.45PM	Debjam Mallik MA Psychology 200 Year	Solo Rabindra-Kathak Dance (Prochondo Gorjone Ashilo)
14	3 45-3 50 PM	Mr. Manish Sharma , Scholar of Linglish	Solo Song ( Nayana Tomare Pae na Dekhite)
15	10 Min	Coordinators of Englishing Chology Department	Speech and Conclusion with Vote of Thanks

### **OUTCOME OF THE PROGRAM:**

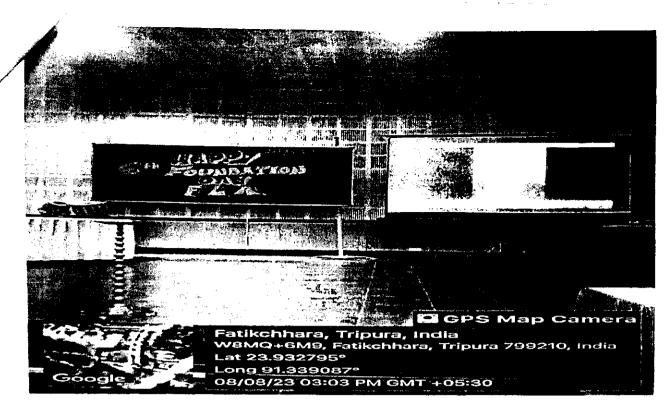

- > The eminent guests' addressed about valuable aspects related to the event.
- > Students learned about the importance of the occasions celebrated in the cultural event.
- > Through various cultural program students were introduced with the cultural practices of the department.
- > Through ex faculty and students address students get guidance about academic and non-academic fields.
- The event was in essence, keeping with the spirit of Liberal Arts became a fruitful one from all angles.

### **PHOTOS:**

# ICFAI UNIVERSITY TRIPURA FACULTY OF LIBERAL ARTS A REPORT ON THE PARTICIPATION IN 77th INDEPENDENCE DAY ORGANIZED BY MOHANPUR SUBDIVISION

GOVT. Of TRIPURA

Date- 15/8/2023, Time- 10am onwards VENUE: MOHANPUR HIGHER SECONDARY SCHOOL GROUND

#### INTRODUCTION

The day of 15th August 1947 has been embossed in the golden history of India. It is the day when India got its freedom from 200 years of British rule. It was a hard and long struggle in which many freedom fighters and great men sacrificed their lives for our beloved motherland. India celebrates its Independence Day on the 15th of August every year. However, this year, the auspicious day is being celebrated as '77 Azadi Ka Amrit Mahotsav 2023'. Independence Day, called the Red-Letter Day in the history of our country, is celebrated as a national holiday throughout India. Independence day is a positive historical event for the country since we were free from British rule on this day. It unites diverse individuals all over the country. Unity in diversity is the fundamental path and strength of India. We feel pleased to be a part of the biggest majority-rule country on the planet, where we live in a democracy. Independence Day is an important day in the life of every Indian citizen. Year after year, it reminds us of our great freedom fighters who sacrificed and struggled their lives in order to free our Motherland from British rule. It reminds us of the great paragons, which were the foundation of the dream of a free India, envisioned and realised by the founding fathers.

Keeping this in mind, the students from ICFAI University Tripura had achieved the golden opportunity to pay their tribute by showing the artistic skills in Mohanpur Higher Secondary School. In front of a large audience and other reputed dignitaries, our students were able to participate in several cultural and artistic events and also various competitions securing for them prestigious awards and positions.

### OBJECTIVE OF THE PROGRAM

- Participation in this event will give students a great opportunity to participate in events of such National importance.
- > Through this program students can show their unique talents in front of a large audience.
- > It will increase the scope of holistic development of the personality of the students.
- These Programs shall help pupils to recognize the layers of meaning that exist in texts and contexts, to develop their knowledge of art and performance, conventions and their sense of getting prepared in front of a vast audience.

#### NO OF PARTICIPANTS

Students from FLA department along with different departments have participated in this event

FLA - 3students

D Ed Special = 2 students

B Tech 3 students

MBA 1 student

#### OLICOME OF THE PROGRAM

- Students have understood their duties responsibilities for the nation
- It imparted students with various life skills like teamwork, compassion, cooperation and collaboration
- Children also learned about taking constructive criticism and feedback in a way that helps them become better individuals
- The use such cultural art forms of immense variety also accelerated personality development among students

Slot 4- 02:30 P.M - 4:00.PM MA English 1st and 2nd Year

### VENUE- Respective Classrooms, Academic Block

#### **INTRODUCTION:**

Teachers' Day is observed to pay tribute to the nation's first Vice President and to recognise the important role teachers' play in our lives. During his tenure as a President of India (from 1962-67), his students and friends requested him to celebrate his birthday He answered, "Instead of celebrating my birthday, it would be my proud privilege if September 5th is observed as Teachers' Day." Since then, his birthday has been observed as Teachers' Day.

To carry forward this tradition 5th of September of every year is celebrated as "Teacher's Day" to commemorate the birth anniversary of Dr. Sarvypalli Radha Krishnan. Like the other year, the special day was celebrated by the students of Faculty of Liberal Arts. Respected Principal Madam Prof. Mousumi Biswas along with all faculty members attended the event. Lastly, Faculty members encouraged students in every aspect and recognize their hard work and sincerity.

#### **OBJECTIVE OF THE PROGRAM:**

- Students organized the event as a tribute to all the teachers; to thank them and to make the day special for them.
- To show respect towards India's first Vice President Dr. Sarvypalli Radha Krishnan
- > Through this cultural event of Teachers Day, 1s year batch of students were introduced to cultural environment of the department
- > To motivate students in participating on extra-curriculum activities related to special occasion in future
- To find valuable insights from the speech shared by the faculty members about the event

# A REPORT ON THE PARTICIPATION IN Silver Jubilee Fest

# ORGANIZED BY

COLLEGE OF FISHERIES

Date- 27/09/2023 to 03/10/23

VENUE: COLLEGE OF FISHERIES, Lembucherra, West Tripura.

# INTRODUCTION

On the occasion of their 25th Foundation Day celebration, COLLEGE OF FISHERIES, Lembucherra which is affiliated to Central Agricultural University had organized a variety of inter-college programmes as part of their Annual College Week and Silver Jubilee Fest. Displaying an array of phenomenal performance, the ICFAI University emerged as the overall runners up team in this Silver Jubilee Fest, 2023. Not only did the participants from IUT excel in the sporting arena, they also showcased their outstanding skills in the cultural domain. The IUT contingent won two gold, six silver and two bronze medals with securing a stupendous medal tally of ten in totality.

The following eleven colleges participated in the event-

- (A) Rajarshi College of Education,
- (B) College of Veterinary Science & A.H,
- (C) Govern College of art and Craft
- (D) College of Agriculture Tripura
- (E) Central Sanskrit University, Ekalavya Campus, Agartala
- (F) ICFAI University, Kamalghat
- (G) Holy Cross College, Lembuchera
- (H). Maharaja Bir Bikram College Agartala
- (I). Techno College of Engineering Agartala
- (j) College of Fisheries, CAU(I), Lembuchera
- (k) NIT Agartala

The students of ICFAI showed great enthusiasm proved their merit in every competition.

# OBJECTIVE OF THE PROGRAM

Providing the students with an opportunity to participate in a great Festival like bestows them with a rare exposure to inter-college communication and networking.

Through this program students can showcase their unique talents in front of a big

It ensures a holistic development of the personality of the students.

These Programs help students to recognize the layers of meaning that exist in texts and contexts, to develop their knowledge of cultural conventions, enhance their collaborative

# NUMBER OF PARTICIPANTS

30 students from different departments of IUT have participated in the event..

# **OUTCOME OF THE PROGRAM**

- The event has imparted students with various life skills like teamwork, compassion, cooperation and collaboration.
- Students have also learnt to accept constructive criticism and feedback in a way that helps them become better individuals.
- Such an exposure and recognition has prepared them to negotiate with higher competitive challenges, with a greater conviction, in future.

#### INTRODUCTION:

Liberal Arts conducted an event on Theatrical Adaptation of *Pride and Prejudice* to celebrate forthcoming Jane Austen's 247<sup>th</sup> birth anniversary on 29<sup>th</sup> November 2023 from 2:30 P.M onwards in Ground Floor Auditorium, Academic Block. The cultural program was organised by the Performative Arts students of FLA and was eagerly attended by 40 students from B.A English (H) 3<sup>th</sup> year. The event was graced by the presence of respected professors from Faculty of Liberal Arts.

## **OBJECTIVE OF THE PROGRAM:**

- > To celebrate prominent female novelist Jane Austen's 247th birth anniversary
- > Through this cultural event, new batch of students were introduced to cultural environment of the department
- > To motivate students in participating on extra-curriculum activities related to special occasion in future
- > To create teaching-learning environment joyous and interesting.

#### NO OF PARTICIPANTS:

15 students have participated in the cultural theatrical event from BA English (H) batch of Faculty of Liberal Arts. Besides, around 40 students of 3<sup>rd</sup> year program have attended the event.

# **OUTCOME OF THE PROGRAM:**

- > Students learned about the important contribution of Jane Austen in English literature through the cultural event.
- > Through the theatrical adaptation of literary text students enjoyed the teaching-learning environment of the department.
- The event was in essence, keeping with the spirit of Liberal Arts became a fruitful one from all angles.

## **Brief of The Program:**

#### **ABOUT THE UNIVERSITY:**

Institute of Chartered Financial Analysts of India, Tripura (www.iutripura.edu.in) popularly known as The ICFAI University, Tripura has been established through an act of the state legislature (Tripura State Legislature Act 8 of 2004). The University is recognized by UGC under Section 2 (f) of 1956 and the university is empowered to award degrees under section 22 of UGC Act, 1956. The University is currently offering 52 (fifty two) programs in Management, Commerce, Engineering, Law, Teacher education, Special Education, Physical Education, English, Yoga and Library Science etc. The University strives to provide quality education with an objective to provide the students with an appropriate combination of conceptual framework and practical insight into managerial technological and legal challenges and business opportunities for grooming entrepreneurial initiatives.

### Objective of the Program:

- > To extend gratitude of the juniors of BBA, B.COM & M.COM.
- > To appreciate their contribution towards the university.
- > To felicitate the departing students and encourage them for higher studies as well as better career goals.

### **Outcome of the Program:**

The program started with the felicitation of students of BBA, B.COM & M.COM final Year the junior students of same disciplines. All the Faculties of FMC actively attended the program as well as expressed their well wishes and advices for their success in achieving better opportunities.

Prof. (Dr.) Sujit Deb, Dean of FMC, ICFAI University Tripura delivered the welcome speech where he has extended his appreciation for the academic performance of the departing students and provided them his valuable suggestions for their future.

Prof. (Dr.) Annesha Saha, HOD of B.COM and Prof. (Dr.) Sunil Kumar, HOD of M.COM of FMC, ICFAI University Tripura have also shared their opinions and wished them good luck for their career goals.

After this students actively presented several cultural performances such as songs, dance, playing musical instruments, etc.

There were also arrangements of snacks and mementoes for the departing students.

- Programme Schedule.

#### **Brief of The Programme**

#### ABOUT THE UNIVERSITY:

Institute of Chartered Financial Analysts of India, Tripura (www.iutripura.edu.in) popularly known as The ICFAI University, Tripura has been established through an act of the state legislature (Tripura State Legislature Act 8 of 2004). The University is recognized by UGC under Section 2 (f) of 1956 and the university is empowered to award degrees under section 22 of UGC Act, 1956. The University is currently offering 52 (fifty two) programs in Management, Commerce, Engineering, Law, Teacher education, Special Education, Physical Education, English, Yoga and Library Science etc. The University strives to provide quality education with an objective to provide the students with an appropriate combination of conceptual framework and practical insight into managerial, technological, legal challenges as well as business opportunities for grooming entrepreneurial initiatives. It also provides exposure to real business problems and situations through industrial visits to different business sectors, case-studies and industrial interactions.

#### **OBJECTIVE OF THE MEETING:**

- > To discuss regarding the performances of the students.
- > To clarify the various queries of the respective parents regarding academic activities of students as well as to ask them to take initiative to gather information regarding the academic activities of their children.
- > To make them aware about various opportunities such as scholarship and scopes related to placement.

#### **PROGRAM OUTCOME:**

The programme has been very informative for the parents as it has been interactive in nature. Through it the parents got information about the performances of the students and the scholarships those they can avail. Its main aim and objectives was to improve a better future performance of the students. It has also provided the parents a platform to put their opinions forward. The meeting gave scopes for the following discussions:

- I. Academic rules and regulations of ICFAI University, Tripura.
- II. Mentor-mentee scheme.
- III. Government scholarships and Non- Government scholarships such as NJY scholarships offered by IUT.
- IV. Performances of the students in different sectors/fields.
- V. Clarification of the queries of the parents of the students of BBA, MBA, B.Com and M.Com.

#### Summarisation of the Meeting:

This meeting started with a welcome speech delivered by Dr. Sujit Deb, Dean of FMC, ICFAI University, Tripura. Dr. Sujit Deb, through his welcome speech communicated about various activities of the students. He has asked the respective parents to take information how their children are performing, whether they are attending the classes properly or not, whether they are facing any behavioural and

grooming issues or not, so that, they can take necessary steps to resolve the problem if there is any. Lastly, he has thanked each parents present there for their positive response and for their active participation in this meeting.

- The 2<sup>nd</sup> speaker of this meeting, Dr. Subhasish Chatterjee, Dean of Academic Affairs, has stated that the purpose of the teachers of our department as well as the parents is to provide a bright and successful future to the students. Therefore, teachers and parents have to cooperate with each other to progress towards this aim. He also requested the parents to talk to their children at home politely to make them realise the importance of study. He has further suggested them to contact the teachers once in a week or month to gather information regarding the performance of their children.
- Our 3rd speaker to address the parents was Dr. Dhananjoy Datta, Dean of Research & Development, ICFAI University. He has discussed about various rules and regulations of the University, so that, the parents can be aware of it. He has communicated rules related to attendance, dress code and class timings. The parents were informed that 75% attendance is mandatory in each course to sit for the mid-term and end-term exams. Dr. Datta has further conveyed that parents have to look after that the students come to the university by wearing proper uniform except Wednesday of every week. He has concluded his speech with a request to the parents to cooperate by instructing their children to follow these rules and regulations of the university. He has also discussed the revised evaluation system of the university.
- Our 4<sup>th</sup> speaker Dr. Prasenjit Dasgupta, Professor, Faculty of Management and Commerce of ICFAI University Tripura delivered a speech and shared some valuable information regarding the Scheme of Mentoring the Students of FMC. Dr. Dasgupta has during his speech told that under this scheme students are being assigned different mentors who give special attention to each individual students to understand the problems those the students face.; The mentors also try to come up with some solutions and necessary Dos and Don'ts to overcome or resolve those problems. This process of mentoring helps the students to gain confidence and be encouraged to secure better marks and to improve their performances. Lastly, he has asked the parents to check whether the mentees are having any behavioural and any other issues or not, and to inform it to the faculties if there is any to seek a proper solution by mentoring Process.
- Prof. Sudip Bhattacharjee has also addressed the parents present in this meeting and shared information about the ICFAI University sponsored scholarship as well as the government sponsored scholarships those a student can avail during his study. He has conveyed that there are 14 government sponsored scholarships and the ICFAI University sponsored scholarship is titled as NJY scholarship. The parents were being informed to be aware when and how to apply for these scholarships and what are the criteria to avail these scholarships. Prof. Sudip Bhattacharjee has also shared various information regarding the opportunities of placement those ICFAI University provides for each student.

- Lastly, the meeting ended with a vote of thanks delivered by Dr. Annesha Saha, HOD of B.Com, ICFAI University, Tripura.
- > There was an arrangement of refreshments for the parents of the students of FMC who were present during this meeting. Contact number of all the existing faculties of FMC has been also shared with them for an easy communication process.

Report on Food Fest Organized by Faculty of Management and Commerce, ICFAI University
Tripura

Date: 28th March 2024

The Faculty of Management and Commerce at ICFAI University Tripura organized a vibrant and engaging Food Fest on 28th March 2024, showcasing the culinary talents of its students. The event was a tremendous success, drawing a massive crowd and offering a diverse array of culinary delights. Managed and executed entirely by students pursuing MBA and BBA degrees, the Food Fest proved to be a testament to their organizational skills, creativity, and business acumen.

The fest featured 12 food stalls, each offering a unique selection of dishes ranging from traditional regional delicacies to global cuisines. From spicy street food to gourmet desserts, there was something to tantalize every palate. The variety and quality of the offerings reflected the students' dedication and passion for culinary arts.

One of the key highlights of the event was the evaluation criteria, which encompassed various aspects of stall management, sales management, crowd engagement, and overall performance. This approach not only encouraged healthy competition among the students but also provided valuable hands-on experience in real-world business operations.

**Stall Management:** The participating students demonstrated exemplary organizational skills in managing their stalls efficiently. From setting up attractive displays to ensuring cleanliness and hygiene standards, each stall was a testament to meticulous planning and execution. Students showcased their creativity in stall design and presentation, effectively capturing the attention of the attendees.

Sales Management: Effective salesmanship was another crucial aspect evaluated during the event. Students employed various marketing techniques to attract customers, including offering discounts, conducting tastings, and leveraging social media platforms for promotion. The ability to upsell and cross-sell products was also taken into account, with students demonstrating adeptness in maximizing sales opportunities.

**Crowd Management:** Given the significant turnout, crowd management emerged as a critical factor in the success of the Food Fest. Students demonstrated exceptional teamwork and coordination in

handling large crowds, ensuring smooth flow and minimizing wait times. From queue management to customer service, students exhibited professionalism and courtesy in their interactions with attendees.

Overall Performance: The overall performance of each stall was evaluated based on a combination of the aforementioned factors. Judges assessed not only the quality of food but also the efficiency of operations, customer satisfaction levels, and adherence to business ethics. It was evident that students had invested considerable effort and dedication into their respective stalls, resulting in a memorable and enjoyable experience for all attendees.

in conclusion, the Food Fest organized by the Faculty of Management and Commerce at ICFAI University Tripura was a resounding success, showcasing the talent, creativity, and entrepreneurial spirit of its students. Through their participation in this event, students gained valuable practical insights into the intricacies of food business management, setting a precedent for future endeavors in the field. The event served as a testament to the university's commitment to experiential learning and holistic development, providing students with a platform to showcase their skills and talents on a larger stage.

### Celebration of International Women's Day

Faculty of Management and Commerce, ICFAIUniversity Tripura on 8th March, 2024

The Faculty of Management and Commerce (FMC) at ICFAI University Tripura reverberated with enthusiasm and empowerment as it celebrated International Women's Day on the 8th of March, 2024. This significant event was dedicated to honoring the invaluable contributions of women within the department and beyond. The day commenced with a heartfelt felicitation ceremony, where the women staff members were lauded for their dedication, resilience, and remarkable achievements in their

Dr. Sujit Deb, the esteemed Dean of FMC, graced the occasion with his inspiring presence. In his speech, Dr. Deb underscored the importance of gender equality and the pivotal role women play in shaping a progressive society. He emphasized the need for fostering an inclusive environment where women are empowered to thrive and succeed in their endeavors. Dr. Deb's words resonated deeply with the audience, serving as a powerful reminder of the ongoing struggle for gender parity and the collective responsibility

Dr. Prasenjit Dasupta, a distinguished faculty member, also graced the occasion with his presence and delivered an insightful speech. With eloquence and conviction, Dr. Dasupta shared his perspectives on the importance of gender equality. He emphasized the need for men to actively support and advocate for women's rights, recognizing that gender equality is not just a women's issue but a societal imperative.

Following Dr. Deb's address, Dr. Mamoni Kalita, the Head of the BBA Program, took the stage to share her insights on women's empowerment. With eloquence and passion, Dr. Kalita highlighted the significance of education in emancipating women and breaking down societal barriers. She stressed the importance of nurturing young women to become leaders and change-makers in their respective fields. Dr. Kalita's speech served as a poignant reminder of the transformative power of education in shaping a

The celebration continued with Dr. Annesha Saha, the Head of the B.Com program, delivering a thoughtprovoking speech on gender stereotypes and biases. Dr. Saha shed light on the pervasive nature of gender discrimination and its detrimental effects on women's lives and opportunities. She called for collective action to challenge traditional gender norms and create a more inclusive and supportive environment for women to thrive. Dr. Saha's impassioned plea resonated with the audience, igniting a sense of solidarity and commitment to advancing gender equality within the department and beyond.

The event also featured a series of engaging activities and discussions aimed at raising awareness about gender issues and promoting dialogue on women's rights and empowerment. Participants had the opportunity to share their experiences, insights, and aspirations, fostering a sense of camaraderie and solidarity among attendees.

### Celebrating world Tourism Day, ICFAI University Tripura and Department of Tourism, Government of Tripura

#### Introduction

In celebration of World Tourism Day, ICFAI University Tripura and the Department of Tourism, Government of Tripura, jointly organized an engaging debate competition on September 26, 2023. The competition revolved around the theme, "Is Green Investment the Only Option for Tourism Development?" It brought together 100 enthusiastic students, two esteemed judges, and prominent guests to deliberate on the pivotal role of sustainable practices in tourism development.

A total of 100 students from diverse academic backgrounds participated in the debate competition. Their passion and commitment to exploring the topic demonstrated their keen interest in promoting responsible tourism and sustainable development. The event featured two eminent judges who brought their expertise to evaluate the participants' arguments. Dr. Subhrajit Bhattacharjee, Consultant at the National AIDS Control Organization, Ministry of Health & Family Welfare and Dr. Abhijit Chanda, Professor at IASE Kunjaban. The judges played a crucial role in maintaining the competition's intellectual rigor and provided valuable feedback to the participants.

Sri Mrinal Das, Assistant Director of the Tripura Tourism Development Corporation Limited (TTDCL), graced the event as the guest of honor. His presence added significance to the occasion, emphasizing the importance of the tourism industry in Tripura. Prof. Aniruddha Roy, Joint Director of TTDCL, presided as the Chief Guest. In his opening remarks, Prof. Roy highlighted the need for responsible tourism practices and underscored the role of green investments in fostering sustainable tourism development in Tripura.

The debate competition was marked by passionate and insightful discussions, where students presented their arguments and perspectives on the theme. Participants showcased their research skills and eloquence, making it a thought-provoking event for all attendees. The topic, "Is Green Investment the Only Option for Tourism Development?" led to a spirited exchange of ideas, with participants exploring various facets of sustainable tourism, environmental conservation, and economic development. Following rigorous rounds of debate, the winners were announced, and awards were presented to recognize their exceptional contributions. The competition fostered healthy competition and provided a platform for students to enhance their public speaking and critical thinking skills.

The collaboration between ICFAI University Tripura and the Department of Tourism, Government of Tripura, to celebrate World Tourism Day through a debate competition was a resounding success. The event highlighted the commitment of both institutions to promoting sustainable tourism practices and responsible travel within the state. The presence of distinguished judges, a guest of honor from TTDCL, and the Chief Guest emphasized the importance of responsible tourism in Tripura and the need for continued efforts in this direction.

The esteemed judges brought their extensive knowledge and experience to the forefront, challenging participants and enhancing the event's intellectual rigor. Sri Mrinal Das, Assistant Director of TTDCL (Tripura

Tourism Development Corporation Limited), graced the occasion as the guest of honor. His presence underscored the significance of the event within the tourism industry. Prof. Aniruddha Roy, Joint Director of TTDCL, presided as the Chief Guest, emphasizing the pivotal role of responsible tourism and the promotion of sustainable practices in the tourism sector. Following a rigorous competition, winners were announced, and prizes were awarded to recognize their outstanding contributions to the debate. The event concluded with a renewed commitment to foster sustainable tourism practices and responsible travel not only among students but also within the broader community. The collaboration between ICFAI University Tripura and the Department of Tourism, Government of Tripura, in organizing this debate competition not only marked the celebration of World Tourism Day but also demonstrated their shared commitment to creating a more sustainable and environmentally conscious tourism industry in Tripura.

Prof. (Dr.) Sujit Deb welcomed the guests with a note of our responsibility towards environment that facilitate tourism development. Dr. Dhananjay Datta extended vote of thanks to all the participants, dignitaries, Faculty of Management and Commerce.

### The ICFA1 University, Tripura

Established under section 4(2) of the Institute of Chartered Financial Analysis of India University. Tripura Act. 2004 Campus Address: Kamalghat (Near Agartala), PIN 799210, Tel: 0381-2865752/62, Fax: 0381-2865754 Website: www.iutripura.edu.in, Email: registrar@iutripura.edu.in

### **Industrial Visit Report**

Date: 8th February, 2024 (Tuesday)

Time: 10:00 AM - 4:00 PM

Venue: Baramura Gas Thermal Power Plant, Baramura, Tripura.

Organised by: Mechanical Engineering Department, ICFAI University, Tripura

Class of Students: 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> Year, Mechanical Engineering Department, IUT, AY: 2023-24

Number of Students Visited: 27

#### Guided By:

Name: Dr. Mrinmoy Dhar

Designation: Assistant Professor, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Name: Mr. Priyam Banik

Designation: Technical Staff, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Name: Mr. Suman Das

Designation: Technical Staff, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

#### Introduction

An industrial visit is widely recognized as a strategic educational tool, offering students firsthand insights into industrial operations and methodologies through direct observation and engagement with industry professionals. The industrial visit to Baramura Gas Thermal Power Plant was meticulously organized by the Department of Mechanical Engineering with the aim of familiarizing students with real-world working environments, thereby offering them invaluable exposure to industrial practices. This initiative was designed to enable students to grasp the practical applications of theoretical concepts, fostering a holistic understanding of industrial technologies. By immersing themselves in this experience, students were anticipated to acquire a comprehensive understanding that bridges the gap between theory and practice. A photograph of the entire team before starting the visit is given in Fig. 1.

Fig. 1: The students, faculty members and the Principal, ITS before starting the industrial visit.

### Objectives of the Industry Visit:

The objectives of this industry visit are as follows:

To gain practical insights into the world of real engineering services and know about the working

principle of sophisticated machineries used in the power plant.

- To get overview of the gas thermal power plant.
- To identify the real engineering challenges.
- To relate the theoretical knowledge acquired by the students in the academic course with the practical operations.
- To bridge the gap between academic course contents and industrial issues.

#### Outcome of the Visit:

The students have enlightened themselves from this industrial visit:

• 42 MW (2 × 21 MW) Gas Thermal Power Plant

The students have understood the overall operation of 21 MW Power Plant. The plant is running with 2 (two) modules consisting of two Gas Turbines. A photograph of the entire team from the ICFAI University Tripura in front of the Power Plant is given in Fig. 2. Figure 3 depict various photographs where students are understanding the operations of different components of the power plant.

Fig. 2: The students and the faculty member in front of the Baramura Gas Thermal Power Plant.

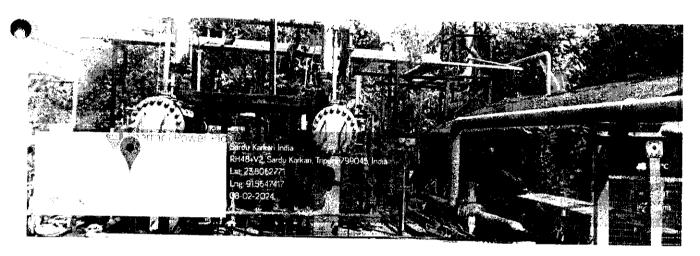

Fig. 3: Various photograph during the visit.

#### Conclusion:

The industrial visit concluded on a highly positive note, successfully meeting its intended objectives. Students derived significant benefits from the experience, gaining firsthand exposure to the diverse machinery and engineering processes in action within the industry. This immersive encounter enabled them to delve into practical facets of engineering, extending beyond mere theoretical understanding. The interactive sessions with industry professionals proved both engaging and enlightening, further enriching their learning experience.

## **Industrial Excursion**

### Report

Date: 28th December, 2023 (Thursday)

Time: 10:00 AM - 4:30 PM

Venues: (1) IT Bhavan, Indranagar, Agartala, Tripura

(2) Dasamighat, Agartala, Tripura and

(3) Science City Agartala, Tripura

Organised by: Mechanical Engineering Department, ICFAI University, Tripura

Class of Students: B. Tech 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> Year, IUT, AY: 2021-22

Number of Students Visited: 63

#### Guided By:

Name: Prof. (Dr.) Prasanta Kumar Sinha

Designation: Principal, ICFAI Technical School and Professor, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Name: Dr. Amit Kumar Rana

Designation: Associate Professor, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Name: Dr. Mrinmoy Dhar

Designation: Assistant Professor, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Name: Dr. Pritam Majumder

Designation: Assistant Professor, Mechanical Engineering Department

Organisation/Institute: ICFAI University, Tripura

Introduction

Industrial excursion is a trip usually made for educational purpose. It is considered as one of the tactical methods of teaching. It helps student to know things practically through visualization of industrial operations and working methods as well as interactions with the resource persons from the industry. The Department of Mechanical Engineering, ICFAI University Tripura organized an industrial excursion on 28.12.2024. Students and faculty members reached the 1<sup>st</sup> venue –IT Bhavan, Indranagar, Agartala at 10.30 AM. Thereafter they reached the 2<sup>nd</sup> venue – Dasamighat, Agartala at 1 PM. At the end, they also visited Science City Agartala which provided a unique and informal way of learning scientific concepts. Through this industrial excursion students were expected to get awareness about recent scientific and technological developments.

**Objectives of the Industry Excursion:** 

The objectives of this industry excursion are as follows:

• Relate the theoretical knowledge acquired by the students in the academic course with the practical

operations.

• Bridge the gap between academic course contents and industrial issues.

• Identify the real engineering challenges.

• Interact with professionals and experts in the industry, building a network that may be beneficial for

future career opportunities.

• Create an environment that fosters learning and education, with a focus on science and technology.

THE ICF AVOID

• Provide a unique and informal way of learning scientific concepts.

#### **Outcome of the Excursion:**

The students have enlightened themselves as they get to know about the various recent developmental work in the technological field and scientific concepts from this industrial excursion, comprising of visits at (1) IT Bhavan, Indranagar, Agartala, Tripura, (2) Dasamighat, Agartala, Tripura and (3) Science City Agartala, Tripura. They have understood how the various Smart City Projects have been accomplished in the city of Agartala, from the presentations delivered by the resource persons at IT Bhavan, Agartala. They have also seen ongoing Howrah River Front Development Project work at the project site (Dasamighat, Agartala). The visit to Science City Agartala at the end of this tour was full of fun through which also they have gained the knowledge of various scientific concepts. The photographs taken during this excursion are given in Figures 1-8.

Figure 1: The team of faculty members and students before starting the trip.

Figure 2: The students and faculty members attending the lecture at IT Bhavan, Indranagar, Agartala on various ongoing and completed smart city projects.

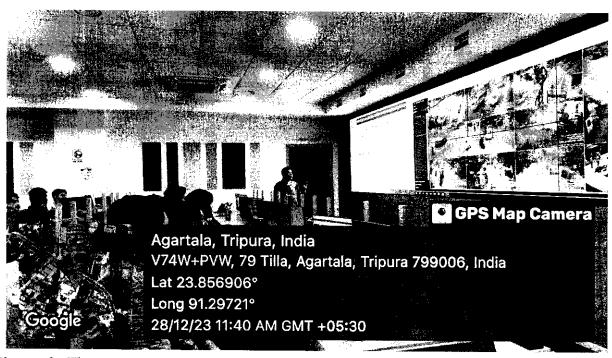

Figure 3: The resource person from smart city projects team at IT Bhavan, Indranagar, Agartala delivering the presentation.

Figure 4: The entire team of students and faculty members along with the resource persons from smart city projects team in front of IT Bhavan, Indranagar, Agartala.

Figure 5: The resource persons from Howrah River Front Development Project team interacting with the students at Dasamighat, Agartala.

Figure 6: The students and faculty members at Dasamighat, Agartala after observing the Howrah River Front Development Project work.

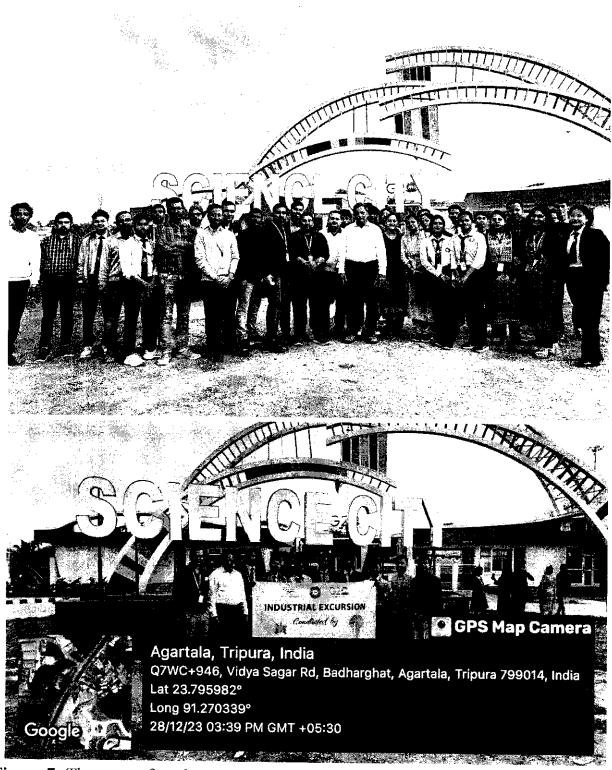

Figure 7: The team of students and faculty members in front of Science City Agartala.

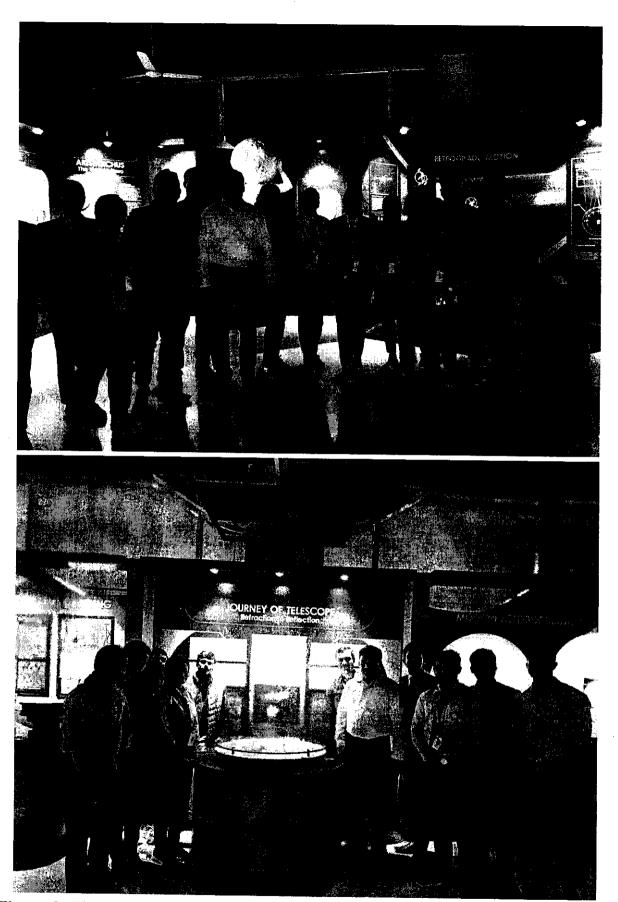

Figure 8: The students along with faculty members inside the Science City Agartala.

#### Conclusion:

The industrial excursion has ended with a positive note at 5 PM. This excursion for engineering students was a resounding success, meeting its objectives and providing students with valuable insights into the practical aspects of their field. Students are greatly benefitted from this excursion as they got the opportunity to witness the various smart city projects. They explored various practical aspects related to real engineering problems, beyond the theoretical knowledge. It is indeed a satisfying experience for students as well as faculty members.

# A Report on LECTURE SESSION ON "RURAL BANKING & MICROFINANCE"

Organized By: The ICFAI University, Tripura

Faculty of Management & Commerce

Date: 22<sup>nd</sup> March 2024

Venue: Class Room No. 423, IUT

#### **Contents:**

- Brief of the Programme
- Objective of the Programme
- Outcome of the Programme
- Photograph of the Program

#### **Brief of the Programme**

#### **ABOUT THE UNIVERSITY:**

Institute of Chartered Financial Analysts of India, Tripura (www.iutripura.edu.in) popularly known as The ICFAI University, Tripura has been established through an act of the state legislature (Tripura State Legislature Act 8 of 2004). The University is recognized by UGC under Section 2 (f) of 1956 and the university is empowered to award degrees under section 22 of UGC Act, 1956. The University is currently offering 52 (fifty two) programs in Management, Commerce, Engineering, Law, Teacher education, Special Education, Physical Education, English, Yoga and Library Science etc. The University strives to provide quality education with an objective to provide the students with an appropriate combination of conceptual framework and practical insight into managerial, technological, legal challenges as well as business opportunities for grooming entrepreneurial initiatives. It also provides exposure to real business problems and situations through industrial visits to different business sectors, case-studies and industrial interactions.

#### **OBJECTIVES OF THE PROGRAMME:**

- ➤ To raise awareness about the importance of rural banking and microfinance in fostering economic development and reducing poverty in rural communities. This includes educating participants about the challenges faced by rural populations in accessing financial services and the role that microfinance institutions play in addressing these challenges.
- ➤ To deepen participants' understanding of the concepts, principles, and mechanisms underlying rural banking and microfinance. This may involve explaining the different financial products and services offered, such as savings accounts, credit facilities, insurance, and remittance services, and how these can be tailored to the specific needs of rural clients.
- ➤ To provide participants with opportunities for learning and skill development in the field of rural banking and microfinance. This may include sharing case studies, best practices, and lessons learned from successful microfinance projects, as well as facilitating discussions and interactive sessions to exchange ideas and insights among participants.
- ➤ To inspire participants to take action towards promoting financial inclusion and sustainable development in rural areas. This may involve encouraging participants to explore potential roles and opportunities for involvement in rural banking and microfinance initiatives, whether through volunteering, advocacy, entrepreneurship, or policy advocacy.

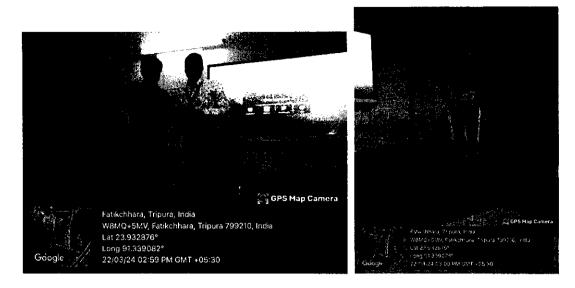

#### **PROGRAMME OUTCOME:**

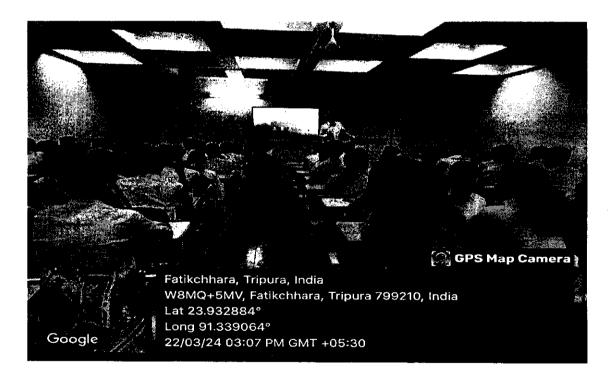

- ➤ The lecture session started with the felicitation of the Guest Speaker

  Dr. Jayanta Choudhury, Department of Rural Studies, Tripura University
  by Prof. (Dr) Sujit Deb, Dean, FMC, IUT. Followed by the welcome
  address from Dean of FMC.
- ➤ The lecture session was very informative and interactive. The Participants demonstrate an improved understanding of the concepts, principles, and practices of rural banking and microfinance, including the role of financial institutions, the importance of financial inclusion, and the challenges and opportunities in serving rural populations.
- ➤ Participants acquired knowledge in relation to practical skills and tools related to rural banking and microfinance, such as financial analysis, risk management, client assessment, and designing appropriate financial products for rural clients.
- ➤ Participants are equipped with information and insights to engage in policy advocacy and contribute to the development of supportive regulatory frameworks for rural banking and microfinance
- Participants establish new connections and relationship with the expert Dr. Jayanta Choudhury in the field of rural banking and microfinance, enabling them to access resources, mentorship, and collaboration opportunities for future projects or initiatives.
- ➤ Participants are motivated to take action towards promoting financial inclusion and sustainable development in rural areas, whether through volunteering, entrepreneurship, advocacy, or policy engagement.
- The session ended with the vote of thanks delivered by Dr. Annesha Saha, Associate Professor, FMC, IUT.

#### Faculty of Allied Health Sciences ICFAI University Tripura

Lyent Nature Type:

Cardiology Technologist Day

Venue:

The ICFALL niversity Tripura, Kamalghat, West Tripura

Organized by:

ICFAI University Tripura, Faculty of Allied Health Science

Date

Time:

1:30 pm

#### INTRODUCTION

The Faculty of Allied Health Sciences observed the Cardiology Technologist Day on 15th February 2023 at ICFAI University Campus, Tripura.

As a part of the awareness program a Poster presentation Competition(Theme is -Cardiovascular disease), was set up at IUT campus for students, faculties & staff members, followed by inter-departmental poster presentation competition.

It was under the supervision of Prof (Dr.) Subhasish Chatterjee (Academic Dean), Prof (Dr.) A. Ranganath (registrar) Prof.(Dr.) Biraj Sarkar (Coordinator, FAHS), Dr.A.S.Trivedi (HOD of cardiology department at AGMC), Dr.Manas Gope (Nephrologist at AGMC) . Approx 75 students attended in this event (43 students participated in poster presentation competition). All the faculty members, lab assistants and staffs of FAHS taken part in arranging and managing

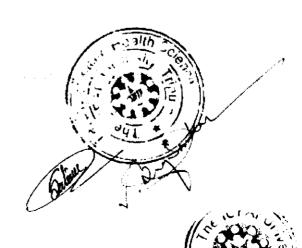

#### **OBJECTIVE**

The day serves as a global platform to increase awareness about the importance of heart health . importance of cardiology technologist and the impact of cardiovascular diseases on individuals and communities. It educates people about the risk factors associate with heart disease and the preventive measures they can take.

No of students attended: 75

No of students attended Poster Competition: 43

No of participant Laculty & Staffs: 14

Caratiology (cormologist Day is an unitial event celebrated on 15/2/2004 to taise awarenes about cardiovascular diseases, importance of cardiologist technologist and promote heart health-On this day, various againstations and individuals come together to educate people about its in portaine of maintaining a healthy heart through regular exercise, a balanced diet, and lifestyle modifications. The goal is to reduce the prevalence of heart discuses and promote healthier living habits. Cardiology Technologist Day serves as a reminder for everyone to take proactive steps towards preventing heart diseases and leading a heart-healthy tite

It was nimed at informing people around the world about cardiovascular disease (CVD).

It is a global campaign through which the federation unites people in the fight against the CVD burden as well as inspires and drives international action to encourage heart-healthy living.

The ICFAI University. Diputa observed this with the Cardiology Technologist Day aim of spreading the importance of cardiologist technologist amongst the students, the next generation . keeping this year theme in mind IUT try to influence the students to take responsibility as a cardiology technologist. The observation of was began with. Cardiology Technologist Day 2024 lamp light in the presence of honorable Prof (Dr.) Subhasish Chatterjee (Academic Dean), Prof (Dr.) A. Ranganath (registrar) Prof.(Dr.) Biraj Sarkar (Coordinator, FAHS), Dr.A.S.Trivedi (HOD) of cardiology department at AGMC). Dr.Manas Gope (Nephrologist at AGMC) along with introduction, words of guidance and motivation, and vote of thanks by guests. Then honorable Dr.A.S. Friveds (HOD of cardiology department at AGMC), Dr.Manas Gope (Nephrologist at AGMC), Dr. Biraj Sarkar (Coordinator, FAHS), they gave speech about importance of the cardiac care technologist. Then poster competition is there, our judges for the event Dr.A.S Trivedi (HOD of cardiology department at AGMC). Dr.Manas Gope (Nephrologist 7 AGMC (Dr. Subhasish Chatterjee) (Academic Dean) was take the responsibility and selected the winners,

Number of Students participated in poster competition: 43

Number of participant Faculty & Staffs; 14

Venue: ICEALUNIVERSHY, TRIPURA (Ground floor auditorium)

Guest of Honours: - Dr A.S. Trivedi (HOD of cardiology department at AGMC), Dr.Manas

#### OUTCOME

- Students have got on hand exposure of working in Cardiology Technologist Day
- · We that successfully spread the theme of among students and Cardiology Technologist Day 1024 staffs through these beents
- It half a students in proving confidence for their apcoming clinical or patient exposure.

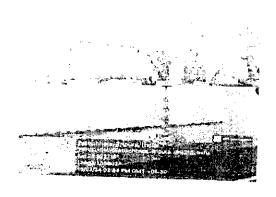

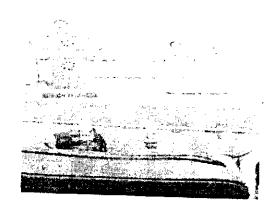

Den John

Golevy

#### TRIAL PROBLEM

The Union of Bharatpur is an independent country situated inSouth East Asia. Earlier a British colony, it got its independence In the year 1947 and since then, it has been a "sovereign, Socialist, secular, democratic republic" with each organ of its Governance that is the legislature, executive and judiciary derivingIts power and authorities from its Constitution which had come intoForce on 26<sup>th</sup> January, 1950 which is a few months less than the Third Independence Day of the country considering the social economic dimensions of the country, the constitution framers had always favoured affirmative action in support of females and other disadvantaged communities or groups of our society.

- I. The Bharatpur Nyaay Sanhita, 2023 is the general penal statute of Bharatpur. Enacted in 2023, it is a comprehensive code designed to meet all substantive features of criminal law. The Act came into force in the year 2023. At present, the Act is enhanced by other specialCriminal provisions.
- II. Vikas Pandey a student of Adarshwadi Public school Delhi,15 years of age had a bond of friendship with Drishti Sharma who studied in the same institution with him and was also 15 years. The two classmates had a very good bond of friendship and used to go in the same tuition. Later on the evening of 25<sup>th</sup> July when the summer vacation was continuing Vikas called for a small party at his own house which involved all his friends who go to the same school. At first Drishtiwas hesitant to come in the party but later on said yes for the party.
- III. Eventually her father dropped her in the party and he said he would come to pick her up from the party at about 10:00 p.m. As the clock striked at 9:45p.m., she started calling her father but her father did not picked up the call.
- IV. Tina was Drishti's close friend and she was ready to leave the party as it was already 10:30. Drishti again tried to call her father from Dinesh's mobile (Tina's father). Then Mr Dinesh told her that he would be dropping Drishti to her home after dropping Tina. Drishti's house was 5 km away from Tina's house.
- V. Later that night at 11:05 p.m. one bus driver named Jatin was passing by the lanes of Rai Nagar where he saw a unconscious body of a girl lying in the empty road in a shabby condition with signs of injuries everywhere and torn clothes.
- VI. The bus driver took the girl in the hospital and from the phone he called her parents. Her parents confirmed that it was Drishti and she was found 3km away from her home. Drishti was in a critical condition because there were a lot of injuries with burns of cigarette also cigarette buds inserted in her body and she was not able to open her eyes properly as there were blood clots. Also marks, scratches was seen in her body. With that the police also arrived and doctors also took the initial care of the patient.
- VII. After sometime the victim came into consciousness and she revealed that she was feeling hazy while getting in the car, she was given water to drink after that she slept in the car. Due to heavy pain she woke up to find a male figure was hovering above her. Then he forced her for proximity and in the mean time he was wearing a hard metallic band which hurt her head during the time.
- VIII. Later due to internal bleedings and failure of all the internal organs in the body, Drishti lost her life within sometime but before that she took a moment to speak about whatever happened to her in that night of 25<sup>th</sup> July which led her to lose her life.

#### WITNESS PROFILE

#### Here are the statements of the prosecution witnesses:

Bus Driver (Jatin) PW-1

I was driving my bus on the night of July 25th, around 11:05 p.m., when I saw a young girl lying unconscious on the road in Rai Nagar. She was badly injured, with torn clothes and signs of burns. I immediately stopped the bus and rushed to her aid. I called her parents using her phone and informed them about the situation. When they arrived, they confirmed the girl was Drishti Sharma.

I observed that Drishti was in a critical condition, unable to speak or move. Her body had multiple injuries, and she had blood clots in her eyes. I didn't see anyone else around her. I waited with her until the police and ambulance arrived. During the investigation, I handed over Drishti's phone and other belongings to the Investigation Officer.

#### Here are the statements of the prosecution witnesses:

Investigation Officer (IO)

I reached the crime scene at 11:20 p.m. on July 25th and found Drishti Sharma in a critical condition. The bus driver, Jatin, was present and handed over Drishti's belongings.

I began questioning Drishti in the hospital. Despite her condition, she managed to tell me that she was raped by Tina's father, Dinesh. She stated that he attacked her in his car and threw her out on the road.

I took note of Drishti's statement and began investigating Dinesh. We collected evidence from the crime scene, witness statements.

Drishti's statement was recorded in the presence of her parents and medical staff.

Doctor (Hospital)

I attended to Drishti Sharma when she was brought to the hospital on July 25th, around 11:30 p.m. She was in a critical condition, with severe internal injuries, burns, and blood clots in her eyes.

During the medical examination, we found evidence of rape and brutal assault. Drishti's injuries were consistent with her statement to the Investigation Officer.

I provided medical treatment to stabilize Drishti's condition, but unfortunately, she succumbed to her injuries and passed away. I have preserved all medical records and evidence, including swabs, clothing, and other samples, which will be crucial in the investigation.

#### Here's the statement of the Defence witnesses:

Tina (Dinesh's daughter)

"I was at Vikas's party with Drishti on July 25th. My father, Dinesh, offered to drop Drishti home since we live nearby.

When I got out of the car, I didn't notice anything unusual. But now that I think back, Drishti seemdifferent as she said she was feeling hazy. My father offered her water but she didn't smile like he usually does. I remember Drishti hesitated before getting in the car. She lookednervous. After I got out of the car my father showed concern. Also he was back before I got into bed and also said his car stopped at the middle of road and she made Drishti avail an auto as she felt better.

#### Here's the statement of the Defence witnesses:

Tina's Mother (Dinesh's wife)

I know my husband, Dinesh, would never commit such a heinous crime. He's a loving father and husband. On the night of July 25<sup>th</sup>, Dinesh dropped Tina and Drishti off after the party. He came home within 20mins looking normal. He also claimed that his car was not in a good condition and he made drishti sit in an auto to reach and also called drishti's father but it was showing switched off.

I'm certain Dinesh didn't harm Drishti. My husband is a good man. I've never seen him behave violently or aggressively.

I do question Drishti's character. She's always been a attention seeking fellow. I've warned Tina to stay away from her

March Control

# 3<sup>rd</sup> Intra- Trial Advocacy Competition Regulation

#### 1. STRUCTURE OF THE COMPETITION:

The Competition will be structured as per the following format:

- a. Preliminary Rounds
- ь Knock-out Round
- c Semi Final Rounds

# **Conclusion**

Under the immense guidance of our faculty in charge Dr. Debabrata Roy Sir we successfully completed our 3<sup>rd</sup> Intra trial advocacy competition, there were little ups and Downs regarding the program despite all those obstruction we had accomplished our program with flying colors. We would like to organize more competitions in theupcoming days.

**Program Schedule of the Event:** 

#### Gist of the Lectures given by the Resource Persons:

1. Dr. M.R.S Murthy, Associate Professor & DPIIT-IPR Chair,

NUSRL, Ranchi Topic :- "Copyright Challenges in Digital Era"

# Issues and challenges to copyright law in digital environment \*Protection processes of and administration of copyright in digital era information is becoming very challengeable day by day in digital era. \*Need attention of the regulations, enforcement agreement agreement field experts to focus on their obit and efforts encomment, sharpen their abstitutes and performances with new biods and technics for effective protection of the work. \*The stock wares created by during digital technicing as from the physical works.

# Some of the key concerns in the digital realm

- History 500 Years (Gutenberg Printing Work Copyright)
- TRIPS (Trade Related Aspects of Intellectual Property Right) Agreement, 1995
   1<sup>st</sup> International Agreement governing IPR
- Conventional Copyright Protection in relation to ITs Include; Dramatic Works (must be performed/ live performance for protection); Book Publication (must be digitally available); Cinematography (film must be released); Broadcasting (available in Theatres)
- S.18 of Copyright Act, 1957 Expansion; Recent developments Use of Digital platform like OTT, Television services etc.
- IT Communication Piracy distribution of such Copyright Works to be avoided without Owner's permission (S.19); Right of Performer S.38
- Copy only 1<sup>st</sup> owner can grant permission for commercialization u/s. 17, either through Assignment, Operation of Law & Licensing.
- IT & Technology Law, 2000 Emphasizes more on Copyright Protection
- Recent Problem use of A.I. for automation or creation of similar fake work;
   indecent representation of work of the actual owner, Scan original copies to sell unaware due to advancement in technology, by A.I. one form of expression can be converted into another expression
- To combat A.I. issues Digital System Set up to be build to understand & recognize real work, Copyright grant Differ from U.S where only Natural Person is granted; India any Legal Juristic Person is granted copyright holder and protection
- One must recognize that Human Intellect is real & valuable then A.I. generated works even if it's published
- Solution Linking, DRM, Watermarking, Fair Use guidelines. Etc.

#### 2. Dr. Pankaj Kumar, DPIIT Chair & Professor, NLUJAA, Assam

#### Topic:- "Patentability of Biological Invention with reference to Traditional Knowledge"

# Applications relating to Blo-materials and the available TK All epilications to patent reining to TK are allowed and advisable of Traditional knowledge shouseholday. All epilications to patent reining to TK are allowed and advisable of Traditional knowledge shouseholday. As per the guideline the Evacurier needs to carry out a carry of the carranter the applications. As per the guideline the Evacurier needs to carry out a carry of the carranter the applications. The copy of the carranter the applications are defined as the TTR. In available to the structs of are used from 1KDL arranged with the TTR. In waver the same may be stranged on the applicant's request.

- Technology for everyone is technology everywhere
- Monopolistic Practices on Bio Invention not commercialized without proper information, Thus Patent was required
- Under Biodiversity Act,2002 Bio Invention; certain portions of profit to be shared to the Shareholder, established – National Biodiversity Authority (NBA); to use those profits for the welfare of the shareholder.
- Patentability prevented wrongful use; Patents Act, 1970 including 2005 Amendment

Provided criteria for Pre & Post Grant application of Bio Invention:- Novelty with Opposition (S.25), Inventive Step (S.2 definition), Due care and diligence should be exercised, the geographical origin of the biological material used must be declared in Form 1, If the biological material is from India, permission from the NBA is required, If the biological material is not from India, the claimant must declare the country of source and geographical origin, Mentioning the geographical origin requires tracing the history or lineage of the material used, Failure to disclose or incorrectly mention the source or geographical origin of the biological material can be grounds for pre- and post-grant opposition

- Inventions not Patentable S.3 of Patents Act
- Solution: S.6 Biodiversity Act Prior Approval of NBA, SIPPR scheme for start- ups (no charge required with a period of 4 to 3 years).

TKDL – The Traditional Knowledge Digital Library (TKDL) is a pioneering initiative of India, under the joint collaboration of the Council of Scientific and Industrial Research (CSIR) and AYUSH, to prevent exploitation and to protect Indian traditional knowledge at Patent Offices worldwide.

3. Dr. Nidhi Buch, Associate Professor & Head for Centre for IPR, Internship & Placement Division, GNLU

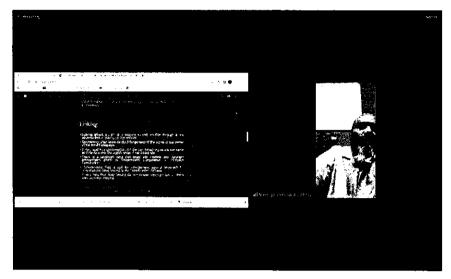

Topic :- "Two Decades of Geographical Indication (G.I.) Protection in India: Issues and Challenges"

- 1999-2003 G.I. Act was enforced; World Intellectual Property Organization (WIPO) was sleeping beauty before G.I. introduction (now provides appropriate protection to G.I.s)
- Rationale & Salient Features of G.I.s S.2: Uniqueness, Place of Product, People belonging to that region, Rights granted to a community, non transferable: thus, G.I was created.
- Lacunas Absence of Assigning, Licensing, Minimal protection of Natural Products (3%)
- Authorised user concept someone who only has right to Use G.I tag product, also included perpetual succession 10 Years + can be renewed forever
- Definition 'goods' got widen for G.I. tags: Most famous Agriculture & Handloom & Handicraft goods(Maximum protection); sui generis system of protection
- Registered total G.I. tag 642 products; 343 Handloom & Handicraft, 200
   Agriculture Kesar, Mango, Darjeeling Tea etc.
- 5 Categories of different products are protected with the help of producers
- Existed gap in rights if G.I. people themselves weren't aware .i.e., Artisans themselves weren't aware due to which pre registration challenges arose
- State & Company concerned to aid with concept of 'local to global'; Post Registration 'Grey area'; no particular framework
- CoP Code of Practice (method of making G.I), since G.I products has no logo, no additional mechanism, thus an identity establishment must be present, there was also rise of insufficient registration user due to lack of awareness
- Absence of inspection scheme, no structured member; thus proposed for body
  a body for inspection with composition and function for quality check of G.I
  products for G.I. tags
- Recommendation Provide govt. Organizational scheme, post registration enforcement mechanism to be involved, States to be involved in providing funds, assistance and other necessity which is not present in post registration,
   G.I. Protection Council establishment Sole authority to ensure other bodies function properly, proper G.I Database, mass awareness.
