Report on ‘Basanto Utsab’ with Special Children at Educational Lab

On 20th March 2019, Faculty of Special Education and Rehabilitation organized ‘**Basanto Utsab**’ at Educational Lab. All the Faculties, B. Ed and D. Ed Teacher –Trainees of Special Education & Rehabilitation and Education were involved in this program. A procession was started from Educational Lab with a traditional popular song “ORE GHRIHABASI” towards main building along with Children with Special Need, Parents, and Teacher –Trainees of B. Ed SEMR and D. Ed SEMR.

Programme started with distribution of Colour Leaf cones prepared by Special Education Teacher Trainee. Dr. Madhavi Sharma distributed Colour Leaf cones. Dr. A. Ranagnath, Registrar, IUT also joined the programme. Faculties and other administrative staff also actively participated in the programme with Children with Special Need. All the Children and members played Holi at open gallery and enjoyed a lot. The theme of the programme was proposed by Asst. Prof Silali Banerjee and all the facilities initiated for the same.

D.Ed. Teacher- Trainees of Special Education actively participated in the programme, where they achieved many of the tactics to handle Children with Special Need. Children with Special Need got exposure to show their development through participating colorful activity and performing Art areas from Special Educational Lab, at ICFAI University. Parent’s feelings were touched emotionally seeing their children enthusiasm towards playing with colors. Cake and toffee was distributed among the special children on the occasion.

The programme successfully celebrated with the coordination of all faculties of Special Education and Rehabilitation department.
