The meeting commenced under the chairmanship of Prof. Biplab Halder Pro VC ICFAI University, Tripura. The meeting started with review of NAAC peer Visit on the CGPA and Grade received to the University. The members discussed on below points under 7 matrices of NAAC were low grade received such as –

- Research, Innovation and Extension – Individual Department should work on Promotion of Research studies and Facilities National /International. Various Research funding agencies needs to work out on Major and Minor projects (national /International.)
- Innovation Ecosystem needs to work out by individual dept .like workshop/seminar conducted on IPR , Award of Innovation ,Incubation centre need to be formulate .
- In consultancy service revenue generated projects need to submit through different sources.
- Collaboration activities for research, faculty exchange and student exchange need to be work out effectively so that the points can be increased.
- Faculty Empowerment strategies like financial support to attend conference /workshop, publications etc.
- Resources mobilization like funds /Grants from Govt. /Non-Govt.
- Internal Quality Assurance systems need to formulate for quality assurance of each dept. and university.
- Every dept. need to promote Institutional Values and Best Practices programmes.

Chairperson first asked members regarding the re-appeal and further instructed to start all the process as per NAAC terms and condition- like every 3 mths committee members meeting, all new dept. /Cell should start proper functioning .

The meeting proceeded further with few suggestions by members.

The meeting ended with vote of thanks.
