Message from the Chancellor

I extend my greetings to all concerned on behalf of The ICFAI University Tripura Sponsored by the ICFAI Society; Hyderabad for successfully upholding the objective of our late founder, Shri N. J. Yasaswy, by maintaining quality education in the different programs it provides. The ICFAI University Tripura is one of the leading Universities in the north-eastern part of India and the University is promoting quality education, research, training and consultation with a global perspective to meet the challenges of the fast-changing trends in various fields of education with a multidisciplinary approach.

As we reflect on another year at The ICFAI University Tripura, I am filled with pride and gratitude for the accomplishments of our community. This past year has been one of significant progress, resilience, and innovation. Together, we have navigated challenges, seized opportunities, and continued to build upon our legacy of excellence in Higher Education.

Throughout the year, our students, faculty, and staff have demonstrated exceptional dedication and creativity. The academic infrastructures of this University are not only enhancing the student experience but are also positioning our ICFAI University Tripura as a hub for cutting-edge research and development. This Annual Report 2023-24 is reflective of overall academic and administrative activities of the University during the year.

As we look to the future, we remain steadfast in our commitment to offer World class, Innovative, Career oriented post graduate and under graduate programmes through inclusive technology aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics.. The coming year promises to be one of continued growth and transformation.

I want to express my deepest gratitude to our students, faculty, alumni, and all stakeholders and hope your continuous dedication, passion, and hard work are the driving forces behind our success.

I wish all the best for future too.

Prof. (Dr.) T Tirupati Rao

Message from the Vice Chancellor

I am extremely pleased to present the Nineteenth Annual Report of The ICFAI University, Tripura for 2023-24.

Over the years, the University has made significant contributions to the educational landscape of Tripura, as well as to the rest of India and foreign countries, by providing high-quality academic, skill and job-oriented professional education. i) IT Facilities: IUT places great emphasis on the use of IT for teaching & learning and in its operations Using Education ERP Software, Mobile App. Consequently, it has deployed modern IT hardware and software on its campus. Keeping the rapid obsolescence in IT hardware, software, and technologies in mind, IUT constantly

upgrades its IT infrastructure. The network bandwidth has been scaled up to 1.3 GBPS. Airtel & BSNL are the two ISPs working simultaneously for unentrapped internet service into the campus.

ii) Intranet: In IUT all the buildings are connected through State of the art Fiber optics connectivity with 1 GBPS internet connectivity and 300 mbps BW of BSNL along with Airtel-1 GBPS. Intranet connectivity is enabled using “Outlook Messenger” which is available on the campus through this; users are connected even when the internet connection is not available. Users can send data to another user with a maximum of 1 GBPS speed. In this Wi-Fi enabled campus, IT-enabled services are in use in a big way. It uses IT for the planning and dissemination of information. It has developed an intranet that is helping to organize the operation of the University more effectively and efficiently. The intranet is helping to provide better services to students and in better utilization of the university’s resources.

iii) ERP: The University has signed an agreement with WINNOU to implement a cloud-based ERP software package. This system will gradually integrate all University processes, including admissions, student attendance, examinations, fee collection, financial accounting, academic calendar, assessments, result declaration, academic monitoring, grading, and placements. The package includes a mobile app that allows students and parents to access real-time information, such as attendance, grades, and timetables, from anywhere. Additionally, the ERP enables the administration and academic departments to send notifications, payment statuses, educational content, and other updates directly to students’ mobile devices. Student and office circulars are also uploaded for viewing by students and faculty. The CMS department, led by the Deputy Manager of IT and a team of dedicated employees, oversees all ERP activities to ensure smooth operation.

iv) IUT Mobile APP: ICFAI University Tripura having its own mobile app in both Android and IOS platform, through this app student can access all their academic data like attendance exam performances, their dues class timetable, alerts all notifications, Faculty can see their timetable and also they can put attendances through this app.

v) ICT Tools: ICFAI University has equipped 96 classrooms with smart interactive boards featuring Android 13 and OPS units powered by Intel i5 processors, 8GB of RAM, and 500GB SSDs, running on a Windows 11 interface. These classrooms are fully integrated with audio-visual facilities.

vi) Wi-Fi Network: Wi-Fi Network is spread in the University campus which consists of optical fiber, access switches, Wireless Access Points, Security equipment like Fire wall etc. The entire campus is Wi-Fi enabled. Total 35 nos of Indoor Access Points & 8nos of Outdoor Access Points are installed in the campus for providing Wi-Fi by IUT. Internet connectivity is provided with 1.3 GBPS for students, staff and faculty. Further the hostel has been provided with uninterrupted IUT Wi-Fi connectivity for use by resident students. Fiber Optics cables are laid down across the campus. All campus is covered by JIO

Wi-Fi with 1 GBPS bandwidth making IUT campus the fastest Wi-Fi Campus in the state. Apart from this, BSNL also provides Free Wi-Fi to the students. Therefore, IUT campus is being provided with Wi-Fi networks from multiple Internet service providers.

vii) Biometric Attendance System: A face authentication attendance system has been implemented for faculty and staff at ICFAI University. Additionally, a biometric attendance system has been introduced for Education and Special Education students, following directives from NCTE and RCI.

viii) Facial Recognition System: To enhance security and streamline authentication, we have implemented a facial recognition system for all employees and students within the MESS area and library. This system will ensure that only authorized individuals can access these facilities, thereby improving overall safety and operational efficiency. The facial recognition technology will accurately verify identities, reducing the chances of unauthorized access. For the MESS area, it will ensure that only registered students and staff can avail themselves of the services. In the library, the system will facilitate smooth entry, allowing students and employees to access resources without needing physical ID cards.

I. Energy:

i) Generator: The University has full power supply from the public utility services as well as four generators 250KVA, 125KVA, 20KVA, 10KV are working for back-up facility for providing 24x7 power supply.

ii) Usage of Solar Energy: University has installed a 100kw renewable Rooftop solar power plant during the year 2019-20.

iii) UPS: The University has UPS of 10KVA, 6KVA, 5KVA, 2KVA, 1KVA, 600VA, Total 251KVA.

m) Sewage Treatment Plant (STP): The University has a Sewage Treatment Plant which has been upgraded to treat 950 KLD of waste water. The treated water is used for watering the plants in the campus.

n) Transport: The University has 26 no’s of busses out of which 14 no’s of own buses have been purchased by IUT for providing transportation to the students, faculty and staff, and there are also 5 no’s four wheeler, 2 no’s ambulance, 1 no City Ride Bus and 1 two wheeler available for various purposes.

Activity report from 1st April 2023 to 31st March 2024:

IUT Centre for Renewable energy (ICRE) endeavors to work in renewable energy sector for the development of the society. The centre constitutes members from different sectors like teaching; administration and student. The members of the committee motivate, encourage and provide necessary guidance for working in this field. Every year many students work in this field and under guidance of the members participate in various events of state and national importance. Dr. Shantanu Acharya has developed a Low-Cost Solar Powered Wheel Chair for Disabled and Elderly People funded by the International Solar Innovations Councils (InSIC). The Total Project cost was Rs.3,65,000/- . The main objective of the project was to develop a low-cost automatic solar powered wheel chair for providing comfort, safety and ease of handling for disabled and elderly persons by modifying the existing manually operated wheelchairs. Hence the nature of that project is innovative development and technology transfer. After successful completion of the project, the innovative wheelchair was handed over to the Special Education Department of the ICFAI University Tripura on 24th July, 2024 and dedicated for the use of the definitely abled persons for their day-to-day activity.

9.07 Center for E-Learning

The ICFAI University Tripura has established a Centre for E-Learning to support maximum academic knowledge of using Learning Management Software (LMS), ICT Tools & Systems and to increase the interest of the students of the University towards virtual platforms. The Centre is also conducting training for the faculty members to gather knowledge of all the latest e-learning tools and associated web technologies and to become more familiar with the technology-based present decade. More objective of the center is to cater to the following:

- To develop Accessibility Standards for Faculty and Students of the University
- To Increase Usability/practices of the Latest e-learning tools and Web- technology
- To habituate with technology- based instructional design principles

At present, the University is having 96 smart classrooms with a Touch Screen facility and audio visual and multimedia facilities.

Various ICT tools used by the Faculty Members according to their requirements have undoubtedly upgraded the teaching-learning process in the University. Keeping in mind the rapidly changing world that is dominated by ICTs, the ICFAI University Tripura is determined to improve the quality of education imparted in the university.

13	Mr. Achintam Kilikdar, Deputy Commissioner, Social Welfare and Social Education Department, Govt. of Tripura	20/02/2024 - 22/02/2024	Theme: ‘Parents as Equal partners in the Intervention Process.’ (CRE)
14	Smt. Jarna Debbarma, Chairperson, Tripura Women’s Commission,	28/02/2024	Panel Discussion on Effective Role of Women Helpline Number The ICFAI Law School organized in association with Society for Fast Justice, a NGO working in Tripura.
15	Sri Nepal Das, Retd. Inspector General of Police,		
16	Dr. Srilekha Roy, Director Voluntary Health Association,		
17	Dr. Anjali Chakraborty, President, Society for Fast Justice.		
18	Dr. Indranil Chatterjee, Resource person, Senior Faculty and In-charge, Audiology and Vestibular Science Unit	15/03/2024 - 17/03/2024	CRE program on “Realistic Practice in the Rehabilitation Field
19	Mrs. Mandira Chakraborty, Assistant Professor, NSOU, Kolkata former principal Prabortak Special School Govt. Of West Bengal		
20	Sri Ashok Chakraborty, Special Guest, Rehab Psychologist, Special Educator & Psychological Counsellor, President, SHELTER, Hooghly, West Bengal		
21	Dr. Rahul Banerjee, Resources Person, Department of Chemical Sciences, Indian Institute of Science Education and Research (IISER) Kolkata	13/04/2023	Porous Framework Materials: What are they good for?”
22	Dr. Surojit Sen Gupta, Resources Person, Associate Professor, Department of Sociology, Maharaja Bir Bikram College	18/04/2023	Seminar on “Gender Sensitization: Equality and Opportunities”
23	Dr. Priya Nair, former scientist at IIT Madras	01.11.2023	Seminar on Career “Development for Higher Studies and Research for the Chemistry Students
24	Mr. Argha Banerjee, Manager RBI	20-11-23	Awareness session on Career Opportunity for Women in RBI
25	Ms. Madhumita Sarkar, Managers RBI		

SNo	Name of the Dignitaries	Date	Name of Program
26	Dr. Biswajit Das, Principal Scientist (Horticulture), ICAR Research Complex	19-03-2024	National Seminar on "Growing Greener Strengthening Horticulture through Innovations, Sustainability, and Market Access"
27	Mr. Loken Das, General Manager, NABARD, RO Agartala		
28	Dr. Umesh Thapa, Ph.D , Post –Doc (Italy), Professor, Faculty of Horticulture, & Former Director of Extension Education, Bidhan Chandra Krishi Viswavidyalaya, West Bengal, India		
29	Dr. Thingreingam Irenaeus K.S, Assistant Professor, Department of Horticulture, College of Agriculture, Lembucherra, Tripura, India		
30	LD. Advocate Tapash Kumar Debbarma, representative of Dist. Legal Services Authorities	12.06.2023	Special Lecture on Child Labour- Issues and Challenges.
31	Hon,ble Justice S C Das	21.06.2023 to 23.06.2023	3 rd N J Y National Moot Court Competition.
32	Hon,ble Justice B K Sharma		
33	Shri Sanjay Kar, Theatre Director of North-East India, and a well-known theatre activist from Agartala, Tripura	4/4/2024	World Theatre Day 2024
34	Dr. Bisu Karmakar, Chief Executive Member of Pollution Control, Govt of Tripura	05.06.2023	World Environment Day
35	Dr. Sukumar Chakrabarty, Principal, Voice of World, Kolkata, West Bengal.	04.01.2024	Celebrated the "World Braille Day".
36	Mr. Achintam Kilikdar, Deputy Commissioner for persons with Disabilities, Social Welfare and Social Education Department, Govt. of Tripura	20.02.2024- 22.02.2024	Continuous Rehabilitation Programme (CRE) Theme: 'Parents as Equal partners in the Intervention Process.'
37	Dr. Manas Gope, (Assistant Professor, AGMC)	15.02.2024	Cardiac Care Technologist Day
38	Dr. Anindya Sundar Trivedi, (HOD of Cardiology Department, AGMC)

ICFAI Football Club (ICFAI-FC)

The ICFAI Football Club was established on 05/05/2023 vide approval of Tripura Football Association. The ICFAI_FC started its journey by playing C-Division league in 2023 organized by Tripura State Football Association. This report celebrates a significant milestone achieved by our football team at ICFAI FC IUT and highlights the collaborative efforts that have brought us to this point. It details the journey of nurturing Mr. SachalngJamatia, who has been recognized as the Best Promising Footballer in Tripura for the year 2023. Amidst the veteran football scene in Tripura, our team embarked on a transformative journey in 2023. Through relentless dedication and strategic training at ICFAI FC IUT, we focused on honing the skills of SachalngJamatia, who showed exceptional promise. Our efforts have culminated in a proud moment for our team and university. Mr. SachalngJamatia has been honored as the Best Footballer in Tripura for 2023. This accolade underscores his remarkable abilities on the field and reflects the effectiveness of our training program and the supportive environment fostered at ICFAI FC IUT. Celebrating this milestone on World Football Day adds profound emotional significance. This recognition is not just a triumph on the field; it represents the realization of dreams, the power of perseverance, and the deep emotional connections fostered through football. It is a testament to the transformative impact of the sport, which goes beyond physical achievements to touch the hearts of everyone involved. This heartwarming narrative highlights the transformative power of football, where dreams are nurtured and celebrated with humility and gratitude. It exemplifies the importance of dedication, teamwork, and the supportive environment provided by ICFAI FC IUT. We look forward to continuing this journey of excellence and fostering more talent.

Mr. Sachalng Jamatia, Best Promising Footballer in Tripura for the year 2023.

Pro-bono Legal Service Club

Pro Bono Legal services programme was launched in April 2017. An initiative of the Department of Justice, the programme is aimed at fulfilling the Department's critical mandate of enhancing "access to justice" for marginalised sections of the society and the State's constitutional obligation of providing "free legal aid" for all. The Programme seeks to put in place an institutional structure which will promote pro bono culture in India. On one hand, the Programme would facilitate delivery of quality legal assistance to the marginalised communities, on the other hand it would ensure that lawyers who volunteer their valuable time and service, towards this public service, are duly recognized for their contribution..

ICFAI started new PG & UG programmes

■ NEC Report

Agartala, Apr 12: The ICFAI University Tripura a Multi Disciplinary University has achieved the success in providing quality education with state of the art academic infrastructure and teaching facilities and gets succeeded to attract national and international students during its short span of existence. At present international students from Somalia and Bangladesh are pursuing various programmes. All the programs offered by the University are professional and job oriented. The University has also been successful in giving placement assistance to the students in various reputed organizations through Campus Placement Drive. Recently one ANM Nursing student has placed in Japan. The University encourages the meritorious

students by awarding of MERIT SCHOLARSHIP known as "N. J. Yasasvy Memorial Merit Scholarship" to boost their performances and also helps the SC, ST, OBC & Minority and also general students for applying various Scholarships under State and Central Government schemes through National Scholarship portal. 3252 students have received various scholarships during the academic year 2022-23. DJ DYNAMIKE – Played the biggest Tripura ICFAI University Festival!

Richard DYNAMIKE is a Performer & Music Producer. He was born on 30th Jan 1994. He is from Patna and working in the growing music industry. DJ DYNAMIKE finds all the nature of his (producer and high rising) performances in Mysore - One Last Night, Jamkila - Japane, Paris ME, Grey Avenue, Indigo Karandak Fort, the 20-year-old has performed for Tripura ICFAI University in the North Eastern State of India with 4000+ Fans.

By DYNAMIKE's interview with CI

What do you do before the Concert or show?

I don't sleep in any type of music a day before my concert or gig. I just make sure that my complete set is ready in my production and of course, I do check with the DJ's records.

As we see you are a Disc Jockey, what's your motivation behind this?

Well, I feel that as a performer you need to be personable & energetic in front of your audience or fans, and very importantly the crowd should be your "the ones they cheer". And guys make me feel delighted and confident.

Do you enjoy to receive messages on social media?

Oh yes! I always try to reply to my fans as a disc jockey. If my record makes them feel inspired, it's because of them that I know this for they support my dreams and love my music.

When you were making your "Purple Record", did you mention it would come in the month's biggest record label in numbers 400?

No, this was a song that I liked and I wanted to play for my DJ friends. And I remember I uploaded that song in the Spotify records corner, and people started voting for my track and I was like this is incredible, people love my music and it's amazing to reach 400 in the Spotify records corner. However, you would be looking that this is not a huge number but for me, it's a huge number at that time I was in the beginning phase of my production.

Tell your experience at Tripura ICFAI University Fest

I was so glad I played such a huge festival in Tripura. The crowd was amazing. I still remember when my fans sang along to the people started cheering for me, and it's a sound that I can never forget.

After the event, I came to the console people just did not stop cheering for me and good that I was rich in incredible feeling.

I want to thank you for giving me this opportunity and for giving me the ICFAI Fest, the event manager, and the whole production team. It's because of their hard work that this event was such a big success, and I wish to their frequency too.

ICFA University in Tripura has successfully developed a low-cost solar-powered wheelchair for the physically challenged and elderly.

In a significant step towards inclusive technology and renewable energy, ICFM University in Tripura has successfully developed a low-cost solar-powered wheelchair for the physically challenged and elderly.

This speech choir is perhaps the first of this kind in Tripura.

The wheelchair was designed and manufactured by Dr Shantanu Acharya, Assistant Professor of the Department of Electrical Engineering, and Dr Pajal Deb, Assistant Professor of the Department of Mechanical Engineering, under the university's Center for Renewable Energy.

Funded by the International Solar Innovation Council (ISIC) from Finland, the innovative project aims to provide improved mobility and independence for individuals with physical challenges and the elderly.

Speaking with India Today NE exclusively, Dr Shantanu Acharya said that after rigorous testing, the solar powered wheelchair was officially unveiled.

"It took around one year to build this solar-powered wheelchair. First, we have developed one prototype and after taking feedback from others we have developed this second prototype. It is for those people who are unable to move and for elderly persons as well. Most wheelchairs are heavy to move from one place to another and also it is guided by one person or some manual wheelchairs are there for which they have to face trouble. It will no need to take charge from your home as you only need sun. However, in the absence of sunlight we can charge it as well," said the Professor.

He also said that the solar-powered wheelchair is expected to bring about positive changes in the lives of disabled and elderly individuals within the community.

"By harnessing the power of renewable energy, this groundbreaking invention showcases ICAI University's commitment to addressing societal needs through research and innovation."

He said that it was handed over to handed over and donated to the Faculty of Social Education of the ICFAI University during a ceremony, which took place at the ICFAI campus on 24th July and was graced by Animesh Das, IAS, Director of the Department of Science, Technology, and Environment and D5 Das, joint Director of the Department of Renewable Energy, Tripura. University Vice-Chancellor, Professor Dr Biplob Halder.

The efforts of Dr Shantanu Acharya and Dr Payal Deb have been highly appreciated by the university, recognizing their exceptional technological contribution. This remarkable development is a testament to the potential of renewable-age technology in creating a more accessible and sustainable future for all.

Agartala: Jan 31. The Faculty of Law of the ICFAI University Tripura organized a Legal Awareness Programme on “Cyber-Related Issues” among the youths of Bijoynagar village under Mohanpur subdivision on January 19 last. The programme was jointly organized by the Pro Bono Club and Unnat Bharat Ahiyan cell of the University. The main objective of the awareness camp was to intensify the youth of the village and to educate them about critical issues related to cyber crimes like cyber bullying, online sexual harassment, child pornography, hacking etc. Around 35 family members participated in that awareness camp. It is to be mentioned here that the Government of India has taken the initiative to establish a framework for dispensation of pro bono legal service schemes across the country. The ICFAI University Tripura has been selected by the Government of India to start the Pro Bono Club at Tripura in 2022. The University also adopted nearest villages including Bijoynagar under Unnat Bharat Ahiyan. The awareness program was coordinated by Dr. Nabarun Bhattacharjee, Associate Professor and Dr. Anindita Choudhury Assistant Professors of ICFAI Law School along with the Research Scholars. The University is also providing Free Legal Aid services to the students of the University under the National State Legal Service Authority to provide access to justice for the socio-economic backward peoples by door to door legal assistance.

Agartala, July 26: With the initiative of Mathematics Department of ICAI University, Rational Π (n) Day was celebrated at Chhachuria High School on Monday.

The initiative aimed at removing the fear of mathematics among the students. Π is an important mathematical constant that is an irrational number. Its closest rational number is 22/7.

In order to remove the fear and weakness towards mathematics among the school students, the Department of Mathematics of the University organized a program titled "Fun with Π (n)".

In the program, Assistant Professor of Mathematics Dr. Prasentil Bal gave a lecture on "Evolution of Π ". He provided a broad understanding of the evolution of π in different eras as well as the role of Indian Mathematicians in the respective evolutions by showing various pictures and videos to motivate the students. He also presented various examples

of the role of Π in various streams of science and technology. Later, a competition titled "Fun with Π " was also organized among the students. The enthusiasm of the students was palpable throughout the event.

The ICAI University is continuously working towards imparting quality education to the students of Tripura and educating the young generation in providing real education. For the past several years, the University has been carrying out various social activities such as free village tuition on English and Mathematics, computer training, science awareness camps, Unnat Bharat campaign, providing free legal advice, Bio village project with Department of Science and Technology, various trainings for Divyangans and implementation of various projects for their overall development. A press release said, the University is committed to uplift the quality of education across of North East India including Tripura.
