Anti-Drug Awareness Policy of “The ICFAI University Tripura”

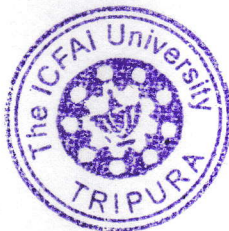

The ICFAI University Tripura acknowledged the importance of prevalence of drug addiction is a critical concern globally, impacting public health and economic prosperity. Despite government efforts, drug addiction on youth community become a significant issue now a day, with alarming huge fatalities in India, including Tripura. In view of the Honourable direction and subsequent Government directions, The ICFAI University Tripura established the Anti-Drug Awareness Policy of the University for conducting various awareness and sensitization programs for the students & other community under the flagships. The Policy is as depicted under:

1. A committee comprising of student’s representative of various departments and a Faculty Convener is formed to address issues relating to create anti-drug awareness.
2. The Committee may undertake the following activities:
 - A) Organizing Training/Workshop/Seminar programs on anti-drug awareness.
 - B) To propose for incorporating education & mass awareness against abuses of drugs.
 - C) Organizing awareness programs, rally and competitions on Anti-Drug Campaign to create awareness to the community.
 - D) Collaborating with relevant authorities for resource mobilization and expertise.

The above policy is made under the approval of the authority of the University and will be implemented with immediate effect with signature on date.
