"The Faculty of Special Education celebrated Special Education Day and Interactional Disability Day on 2nd December, 2022. The day started with the inaugural programme followed by a webinar on "Inclusive Education around the world, Promises and Practices". The keynote speaker was Dr. Rahul Ganguly of Charles Sturt University Australia. As a part of celebration, the students of Special Education presented Posters focusing on the movie in the area of Disability, few characters from Ramayana, Mahabharata having Disabilities and renowned Disable Persons in the society. Later on, a teaching learning material exhibition was also exhibited. "
